The CDD has paid for the cleaning out of O&M expenses that totaled \$22,114 and there was some discussion as to if they would like to try to go to the builder to cover those costs. GMS-CF, LLC does not represent the Villamar Community Development District as a Municipal Advisor or Securities Broker nor is GMS-CF, LLC registered to provide such services as described in Section 15B of the Securities and Exchange Act of 1934, as amended. Similarly, GMS-CF, LLC does not provide the Villamar Community Development District with financial advisory services or offer investment advice in any form.

1.0 Introduction

The Villamar Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes (the “District”), as amended. The District intends to issue, its \$8,090,000 of tax exempt bonds (the “Assessment Area Six Bonds” or “Bonds”) for the purpose of financing certain infrastructure improvements (the “Assessment Area Six Project”) within the District described in the Supplemental Engineer’s Report for Assessment Area Six, dated December 5, 2023, prepared by Wood & Associates Engineering, LLC as may be amended and supplemented from time to time (the “Engineer’s Report”). The construction and/or acquisition of the Assessment Area Six Project will provide special benefit to the property owners within Assessment Area Six within the District.

1.1 Purpose

This Supplemental Assessment Methodology Report for Assessment Area Six supplements the Amendment to the Amended and Restated Master Assessment Methodology (Phases 5, 6, 7A, 7B, and 8) dated January 3, 2023 (together the “Assessment Report”) and provides for an assessment methodology for allocating the Assessment Area Six Bonds incurred by the District to benefiting properties within Assessment Area Six within the District. This Assessment Report allocates the Assessment Area Six Bonds to properties within Assessment Area Six based on the special benefits each receives from the District’s capital improvement plan (“CIP”). This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District has imposed non ad valorem special assessments on the benefited lands within Assessment Area Six within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

1.2 Background

The District consists of approximately 583.79 acres in Polk County, Florida. Assessment Area Six, a designated area within the District, is currently planned to benefit 393 residential units. The proposed Assessment Area Six is depicted in

Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District in the CIP that will be funded with the net proceeds of the Assessment Area Six Bonds will provide facilities that benefit the assessable property within the District. The CIP is delineated in the Engineer's Report. Specifically, the District may construct and/or acquire certain offsite improvements, stormwater management facilities, utility facilities, roadways, entry feature, signage, landscape & irrigation, parks and recreation facilities, and contingencies. Only a portion of the CIP constituting the Assessment Area Six Project will be funded with the proceeds of the Assessment Area Six Bonds. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements and services that may be provided by the District and the estimated costs to implement the CIP.
2. The District Engineer determines the assessable acres that benefit from the District's CIP.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct CIP.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number and type of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the assessable property, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the District. The implementation of the CIP enables properties within its boundaries to be developed. Without the District's CIP, there would be no infrastructure to support development of land within the District and development of the property within the District would be prohibited by law.

There is no doubt that the general public and property owners outside of the District will benefit from the provision of the District's CIP. However, these benefits will be incidental to the District's portion of the CIP financed with a portion of the Assessment Area Six Bonds, which is designed solely to meet the needs of property within Assessment Area Six within the District. Properties outside the District boundaries and outside of Assessment Area Six within the District do not depend upon the District's CIP. The property owners within Assessment Area Six within the District are therefore receiving special benefits not received by those outside the District's boundaries and outside of Assessment Area Six within the District.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of benefit that meet these two characteristics of special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within Assessment Area Six within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the portion of District's CIP that is necessary to support full development of Assessment Area Six will cost approximately \$15,002,951. The District's Underwriter has determined that financing costs required to fund a portion of the infrastructure improvements for the Assessment Area Six Project, the cost of issuance of the Bonds, funding capitalized interest, and the funding of the debt service reserve account are \$8,090,000. Additionally, funding required to complete the CIP not funded with the proceeds of the Assessment Area Six Bonds is anticipated to be funded by VMAR DEV LLC (the "Developer"). Without the CIP, the property within District would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District intends to issue, its \$8,090,000 in Assessment Area Six Bonds to fund a portion of the District's CIP representing the Assessment Area Six Project, provide for a debt service reserve account, fund capitalized interest, and cost of issuance. It is the purpose of this Assessment Report to allocate the \$8,090,000 in debt to the properties benefiting from the CIP.

Table 1 identifies the proposed land uses as identified by the Developer of the land within District. The District has relied on the Engineer's Report for the CIP needed to support the development; these estimated construction costs are outlined in Table 2. The improvements needed to support Assessment Area Six are described in detail in the Engineer's Report and are estimated to cost \$15,002,951. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for a portion of the CIP representing the Assessment Area Six Project and related costs was determined by the District's Underwriter to total \$8,090,000. Table 3 shows the breakdown of the bond sizing for the Assessment Area Six.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan is completed. The portion of the CIP funded by the Assessment Area Six Bonds benefits all developable acres within the District.

The initial assessments will be levied on an equal basis to all acres within Assessment Area Six within the District. A fair and reasonable methodology allocates the debt represented by the Assessment Area Six Bonds incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within Assessment Area Six within the District are benefiting from the improvements.

Once platting or the recording of declaration of condominium, ("Assigned Properties") has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive. The Unassigned Properties, defined as property that has not been platted, assigned development rights or subjected to a declaration of condominium, will continue to be assessed on a per acre basis ("Unassigned Properties"). Eventually the development plan will be completed and the debt relating to the Assessment Area Six Bonds will be allocated to the planned 393 residential units within Assessment Area Six within the District,

which are the beneficiaries of the CIP. The Assessment Area Six Project will fund a portion of the improvements outlined in the CIP anticipated to benefit the 393 lots within the development, as depicted in Table 5 and Table 6. If there are changes to the Development Plan, a true up of the assessments will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0

In order for debt service assessment levels to be consistent with market conditions, developer contributions are recognized. This is reflected on Table 5. Based on the product type and number of units anticipated to absorb the Series 2023 Bond principal, the preliminary estimate is that the CDD will recognize a developer contribution equal to approximately \$605,000, in eligible infrastructure.

In the event parcels are sold to third parties prior to platting, Assessment Area Six Special Assessments will be assigned to such parcels in accordance with their respective entitlements. The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report may be supplemented from time to time.

2.3 Allocation of Benefit

The CIP consists of offsite improvements, stormwater management facilities, utility facilities, roadways, entry feature, signage, landscape & irrigation, parks and recreation facilities, and contingencies. There is *one* residential product type within Assessment Area Six. The Single-Family lot has been set as the base unit and has been assigned one equivalent residential unit (“ERU”) per lot. The CIP for the District is reflected in Table 2. There may be other improvements constructed, but not funded by the Assessment Area Six Bonds. Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the CIP on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of the proposed Assessment Area Six Project will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management facilities, utility facilities, roadways, entry feature, signage, landscape & irrigation, parks and recreation facilities, and contingencies. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

For the provision of the Assessment Area Six Project relating to the Development, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report relating to the Development is delineated in Table 5 (expressed as Allocation of Par Debt per Product

Type). In lieu of having the District issue a greater amount of bonds, and in order to reduce assessment levels by product type, the Developer will be making a contribution of infrastructure in the approximate amount of \$605,000, as delineated in Table 5.

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's Assessment Area Six Project relating to the Development have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within Assessment Area Six within the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the per unit debt allocation assuming all anticipated units are platted, built and sold as planned, and the

Assessment Area Six Project are developed or acquired and financed by the District.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Unassigned Property means property within Assessment Area Six within the District where no platting or declaration of condominium has been recorded. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service, then no debt reduction or true-up payment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

4.0 Assessment Roll

The District will initially distribute the liens across the property within Assessment Area Six within the District boundaries on a gross acreage basis. As Assigned Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Table 6 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land within Assessment Area Six prior to the time all Assigned Properties become known. At this time the debt associated with the District's CIP generally, and the Assessment Area Six Project specifically, will be distributed evenly across all the acres within Assessment Area Six. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Assessment Report. The preliminary assessment roll is depicted in Table 7.

- (iv) a form of Rule 15c2-12 Certificate of the District relating to the Preliminary Limited Offering Memorandum, attached hereto as Exhibit D (the "Rule 15c2-12 Certificate"); and
- (v) a form of the Continuing Disclosure Agreement (the "Continuing Disclosure Agreement") to be entered into among the District, the dissemination agent named therein (the "Dissemination Agent"), and any landowner constituting an "Obligated Person" under the terms of the Continuing Disclosure Agreement, attached hereto as Exhibit E;

WHEREAS, any capitalized term used herein and not otherwise expressly defined herein shall have the meaning ascribed thereto in the Assessment Area Six Indenture; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of VillaMar Community Development District, as follows:

Section 1. Authorization of Issuance of Assessment Area Six Bonds. There are hereby authorized and directed to be issued: the VillaMar Community Development District Special Assessment Bonds, Series 2024 (Assessment Area Six Project) (the "Assessment Area Six Bonds") in an aggregate principal amount not to exceed \$9,000,000, for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Assessment Area Six Project, (ii) funding a deposit to the Assessment Area Six Reserve Account in an amount equal to the Assessment Area Six Reserve Requirement, (iii) funding a portion of the interest coming due on the Assessment Area Six Bonds, and (iv) paying the costs of issuance of the Assessment Area Six Bonds. The

Assessment Area Six Bonds shall be issued under and secured by the Assessment Area Six Indenture, the form of which by reference is hereby incorporated into this resolution as if set forth in full herein.

Section 2. Details of the Assessment Area Six Bonds. The District hereby determines that the Assessment Area Six Bonds shall mature in the amounts and at the times, shall bear interest at the rates, be redeemable at the redemption prices and in the manner as determined by the Chair of the Board of Supervisors of the District (the "Chair") or any member of the Board of Supervisors designated by the Chair (a "Designated Member"), prior to the sale of said Assessment Area Six Bonds, all in a manner consistent with the requirements of the Bond Resolution and within the parameters set forth in Section 5 hereof.

Section 3. Sixth Supplemental Indenture. The District hereby approves and authorizes the execution of the Sixth Supplemental Indenture by the Chair or any Designated Member and the Secretary or any Assistant Secretary of the Board of Supervisors (the "Secretary") and the delivery of the Sixth Supplemental Indenture in substantially the form thereof attached hereto as Exhibit A with such changes therein as shall be approved by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of Sixth Supplemental Indenture attached hereto.

Section 4. Negotiated Sale. The Assessment Area Six Bonds shall be sold by a negotiated sale to the Underwriter. It is hereby determined by the District that a negotiated sale of the Assessment Area Six Bonds to the Underwriter will best effectuate the purposes of the Act, is in the best interests of the District and is necessitated by, in general, the characteristics of the issues and prevailing market conditions and specifically, the following additional reasons:

(i) because of the complexity of the financing structure of the Assessment Area Six Bonds, including the pledge of Special Assessments levied on District lands specifically benefitted by the Assessment Area Six Project as described in the Assessment Area Six Supplemental Methodology as security for the Assessment Area Six Bonds, it is desirable to sell the Assessment Area Six Bonds pursuant to a negotiated sale so as to have an underwriter involved from the outset of the financing to assist in these matters;

(ii) because of changing market conditions for tax-exempt bonds and the necessity of being able to adjust the terms of the Assessment Area Six Bonds, it is in the best interests of the District to sell the Assessment Area Six Bonds by a negotiated sale;

(iii) the Underwriter has participated in structuring the issuance of the Assessment Area Six Bonds and can assist the District in attempting to obtain the most attractive financing for the District;

(iv) the Assessment Area Six Bonds do not bear a credit rating and will be offered initially only to accredited investors within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder; and

(v) the District will not be adversely affected if the Assessment Area Six Bonds are not sold pursuant to a competitive sale.

Section 5. Bond Purchase Contract. The District hereby approves the form of the Bond Purchase Contract submitted by the Underwriter and attached hereto as Exhibit B, and the sale of the Assessment Area Six Bonds by the District upon the terms and conditions set forth in the Bond Purchase Contract is hereby approved. The Chair or a Designated Member are each hereby authorized, acting individually, to execute the Bond Purchase Contract and to deliver the Bond Purchase Contract to the Underwriter. The Bond Purchase Contract shall be in substantially the form of the Bond Purchase Contract attached hereto as Exhibit B with such changes, amendments, modifications, omissions and additions as may be approved by the Chair or the Designated Member; provided, however:

(a) If the Assessment Area Six Bonds are subject to optional redemption, which determination will be made on or before the sale date of the Assessment Area Six Bonds, the first optional call date and the redemption price shall be determined on or before the Bond Purchase Contract is executed;

(b) The interest rate on the Assessment Area Six Bonds shall not exceed an average net interest cost rate, which shall be computed by adding 300 basis points to The Bond Buyer "20 Bond Index" published immediately preceding the first day of the calendar month in which the bonds are sold, as provided in Section 215.84(3), Florida Statutes, as amended;

(c) The aggregate principal amount of the Assessment Area Six Bonds shall not exceed \$9,000,000;

(d) The Assessment Area Six Bonds shall have a final maturity not later than the maximum term allowed by Florida law, which is currently thirty years of principal amortization; and

(e) The price at which the Assessment Area Six Bonds shall be sold to the Underwriter shall not be less than 98.0% of the aggregate face amount of the Assessment Area Six Bonds, exclusive of original issue discount.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The District hereby approves the form of the Preliminary Limited Offering Memorandum submitted to this meeting and attached hereto as Exhibit C and authorizes its distribution and use in connection with the limited offering for sale of the Assessment Area Six Bonds. The preparation of a final Limited Offering Memorandum (the "Limited Offering Memorandum") is hereby approved and the Chair or any Designated Member is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Assessment Area Six Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Assessment Area Six Bonds. The Limited Offering Memorandum shall be substantially in the form of the Preliminary Limited Offering Memorandum attached hereto as Exhibit C, with such changes as shall be approved by the Chair or Designated Member as necessary to conform the details of the Assessment Area Six Bonds and such other insertions, modifications and changes as may be approved by the Chair or Designated Member. The execution and delivery of the Limited Offering Memorandum by the Chair or Designated Member shall constitute evidence of the approval thereof. The District hereby

authorizes the use of the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Assessment Area Six Bonds. The Chair is further authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, in the form as mailed, and in furtherance thereof to execute the Rule 15c2-12 Certificate evidencing the same substantially in the forms attached hereto as Exhibit D.

Section 7. Continuing Disclosure. The District hereby authorizes and approves the execution and delivery of the Continuing Disclosure Agreement by and among the District, the Dissemination Agent and any landowner constituting an "Obligated Person" under the Continuing Disclosure Agreement, by the Chair or a Designated Member substantially in the form presented to this meeting and attached hereto as Exhibit E, with such changes therein as shall be approved by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of Continuing Disclosure Agreement attached hereto. The Continuing Disclosure Agreement is being executed by the District in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) promulgated by the U.S. Securities and Exchange Commission.

Section 8. Application of Proceeds of the Assessment Area Six Bonds. The proceeds of the Assessment Area Six Bonds shall be applied in the manner required in the Sixth Supplemental Indenture.

Section 9. Further Official Action; Ratification of Prior and Subsequent Acts. The Chair, the Secretary and each member of the Board of Supervisors of the District and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Assessment Area Six Bonds, any documents required in connection with implementation of a book-entry system of registration, and investment agreements relating to the investment of the proceeds of the Assessment Area Six Bonds and any agreements in connection with maintaining the exclusion of interest on the Assessment Area Six Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chair or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation. The Chair or any Designated Member may, among other things, change the date of any document accompanying this Resolution as an exhibit. Execution by the Chair or a Designated Member of such document shall be deemed to be conclusive evidence of approval of such change of date. All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved. All actions previously taken by or on behalf of the District in connection with the issuance of the Assessment Area Six Bonds are hereby authorized, ratified and confirmed.

Section 10. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 11. Inconsistent Proceedings. All resolutions or proceedings, or parts thereof, in conflict with the provisions hereof are to the extent of such conflict hereby repealed or amended to the extent of such inconsistency.

Section 12. Public Meetings. It is hereby found and determined that all formal actions of the District concerning and relating to the adoption of this Resolution and the consummation of the transactions contemplated by this Resolution were adopted in open meetings of the District, pursuant to all applicable laws and orders, and that all deliberations of the District that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements.

Section 13. Effective Date. This Resolution shall take effect immediately upon its adoption.

REMOVAL OF ASSESSMENT AREA SIX SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Assessment Area Six Acquisition and Construction Account." Net proceeds of the Assessment Area Six Bonds shall be deposited into the Assessment Area Six Acquisition and Construction Account in the amount set forth in Section 2.06 of this Sixth Supplemental Trust Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Assessment Area Six Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in this Section 4.01(a), Section 5.01 of the Master Indenture and by the District as set forth in the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Assessment Area Six Acquisition and Construction Account shall only be requested by the Issuer to be applied to the Costs of the Assessment Area Six Project, subject to Section 4.01(f) herein. Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Assessment Area Six Reserve Account in excess of the Assessment Area Six Reserve Requirement, as applicable and as calculated by the District shall then be transferred by the Trustee to the Assessment Area Six Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in this Section 4.01(a).

Following the Completion Date for the Assessment Area Six Project, all moneys remaining in the Assessment Area Six Acquisition and Construction Account (and any excess funds from the Assessment Area Six Reserve Account) that have not been requisitioned within thirty (30) days after satisfaction of the Reserve Release Conditions #2, shall be transferred to the Assessment Area Six General Redemption Subaccount, as directed in writing by the District Manager, on behalf of the Issuer to the Trustee to be applied as provided in Section 3.01(b)(iii). Notwithstanding the foregoing, the Assessment Area Six Acquisition and Construction Account shall not be closed until the Reserve Release Conditions #2 shall have occurred and the excess funds from the Assessment Area Six Reserve Account shall have been transferred to the Assessment Area Six Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with this Section 4.01(a) or as otherwise provided in Section 4.01(f) hereinbelow. The Trustee shall not be responsible for determining the amounts in the Assessment Area Six Acquisition and Construction Account and subaccounts allocable to the Assessment Area Six Project or any transfers made to such Accounts in accordance with direction from the District Manager.

The Trustee shall make no such transfers from the Assessment Area Six Acquisition and Construction Account to the Assessment Area Six General Redemption Subaccount if an Event of Default exists, with respect to the Assessment Area Six Bonds of which the Trustee has actual notice as described in Section 11.06 of the Master Indenture. Except as provided in Section 5.05 and Section 3.01(b)(iii) hereof, only upon presentment to the Trustee of a properly signed

requisition in substantially the form attached hereto as Exhibit C, shall the Trustee withdraw moneys from the Assessment Area Six Acquisition and Construction Account or subaccounts therein. After no funds remain in the Assessment Area Six Acquisition and Construction Account, such Account shall be closed.

Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Assessment Area Six Costs of Issuance Account." Net proceeds of the Assessment Area Six Bonds shall be deposited into the Assessment Area Six Costs of Issuance Account in the amount set forth in Section 2.06 of this Sixth Supplemental Trust Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Assessment Area Six Costs of Issuance Account to pay the costs of issuing the Assessment Area Six Bonds. Six months after the issuance of the Assessment Area Six Bonds, any moneys remaining in the Assessment Area Six Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Assessment Area Six Interest Account and the Assessment Area Six Costs of Issuance Account shall be closed. Any deficiency in the amount allocated to pay the cost of issuing the Assessment Area Six Bonds shall be paid from excess Assessment Area Six Pledged Revenues on deposit in the Assessment Area Six Revenue Account as provided in Section 4.02. After no funds remain therein, the Assessment Area Six Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Assessment Area Six Revenue Account." Assessment Area Six Special Assessments (except for Prepayments of Assessment Area Six Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Assessment Area Six Prepayment Subaccount) shall be deposited by the Trustee into the Assessment Area Six Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this Sixth Supplemental Trust Indenture. The Trustee may conclusively rely that unless expressly indicated in writing by the District as a Prepayment upon deposit thereof with the Trustee, payments of Assessment Area Six Special Assessments otherwise received by the Trustee are to be deposited into the Assessment Area Six Revenue Account.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this Sixth Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Assessment Area Six Interest Account." Moneys deposited into the Assessment Area Six Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this Sixth Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Assessment Area Six Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the "Assessment Area Six Sinking Fund Account." Moneys shall be deposited into the Assessment Area Six Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this Sixth Supplemental

Trust Indenture, and applied for the purposes provided therein and in Section 3.01(c) of this Sixth Supplemental Trust Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the "Assessment Area Six Reserve Account." Net proceeds of the Assessment Area Six Bonds shall be deposited into the Assessment Area Six Reserve Account in the amount set forth in Section 2.06 of this Sixth Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Assessment Area Six Reserve Account shall be applied for the purposes provided in the Master Indenture and in this Section 4.01(f) and Section 4.05 of this Sixth Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Assessment Area Six Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Assessment Area Six Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Assessment Area Six Reserve Account and transfer any excess therein above the Assessment Area Six Reserve Requirement resulting from investment earnings, to the Assessment Area Six Revenue Account in accordance with Section 4.02 hereof.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that a landowner wishes to prepay its Assessment Area Six Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of Assessment Area Six Prepayment Principal due by the amount of money in the Assessment Area Six Reserve Account that will be in excess of the Assessment Area Six Reserve Requirement for the Assessment Area Six Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Assessment Area Six Prepayment Subaccount of the Assessment Area Six Bond Redemption Account as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Assessment Area Six Reserve Account to the Assessment Area Six Prepayment Subaccount of the Assessment Area Six Bond Redemption Account to be used for the extraordinary mandatory redemption of the Assessment Area Six Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Assessment Area Six Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Assessment Area Six Bonds to the Assessment Area Six General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Assessment Area Six Special Assessments and applied to redeem a portion of the Assessment Area Six Bonds is less than the principal amount of Assessment Area Six Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Assessment Area Six Reserve Account to the Assessment Area Six Acquisition and Construction Account and pay such amount as designated in a requisition in the form attached hereto as Exhibit C to the Issuer submitted by the Assessment Area Six Landowner within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Assessment Area Six Landowner can establish, to the satisfaction of the Consulting Engineer, Costs of the Assessment Area Six Project that were not paid from moneys initially deposited in the Assessment Area Six Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Assessment Area Six Landowner, such excess moneys transferred from the Assessment Area Six Reserve Account to the Assessment Area Six Acquisition and Construction Account shall be deposited into the Assessment Area Six General Redemption Subaccount of the Assessment Area Six Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in this section is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Assessment Area Six Reserve Account to the Assessment Area Six Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #2, such excess moneys in the Assessment Area Six Acquisition and Construction Account shall then be transferred by the Trustee to the Assessment Area Six General Redemption Subaccount and applied to the redemption of Assessment Area Six Bonds as provided in Section 4.01(a) hereinabove.

In addition, and together with the moneys transferred from the Assessment Area Six Reserve Account pursuant to this paragraph, if the amount on deposit in the Assessment Area Six General Redemption Subaccount is not sufficient to redeem a principal amount of Assessment Area Six Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Assessment Area Six Revenue Account to round up to the amount in the Assessment Area Six General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Assessment Area Six Revenue Account shall be made to pay interest on and/or principal of the Assessment Area Six Bonds for the redemption pursuant to Section 3.01(b)(iii) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Assessment Area Six Bond Redemption Account" and within such Account, a "Assessment Area Six General Redemption Subaccount," a "Assessment Area Six Optional Redemption Subaccount," and a "Assessment Area Six Prepayment Subaccount." Except as otherwise provided in this Sixth Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Assessment Area Six Bonds, moneys to be deposited into the Assessment Area Six Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Assessment Area Six General Redemption Subaccount.

(h) Moneys that are deposited into the Assessment Area Six General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption (i) in whole, pursuant to Section 3.01(b)(ii) hereof, the

Outstanding amount of Assessment Area Six Bonds or (ii) in whole or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Assessment Area Six Prepayment Subaccount (including all earnings on investments held in such Assessment Area Six Prepayment Subaccount) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Assessment Area Six Bonds equal to the amount of money transferred to the Assessment Area Six Prepayment Subaccount of the Assessment Area Six Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof. In addition, and together with the moneys transferred from the Assessment Area Six Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Assessment Area Six Prepayment Subaccount is not sufficient to redeem a principal amount of the Assessment Area Six Bonds in an Authorized Denomination, the Trustee, upon written direction from the Issuer, shall be authorized to withdraw amounts from the Assessment Area Six Revenue Account to deposit to the Assessment Area Six Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Assessment Area Six Revenue Account shall be directed by the Issuer to pay interest on and/or principal of the Assessment Area Six Bonds for the redemption pursuant to Section 3.01(b)(i) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The Issuer hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Assessment Area Six Rebate Account." Moneys shall be deposited into the Assessment Area Six Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Assessment Area Six Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Assessment Area Six Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Assessment Area Six Revenue Account. The Trustee shall transfer from amounts on deposit in the Assessment Area Six Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing May 1, 2024, to the Assessment Area Six Interest Account of the Debt Service Fund, an amount equal to the interest on the Assessment Area Six Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Assessment Area Six Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 2025, to the Assessment Area Six Sinking Fund Account, an amount equal to the principal amount of Assessment Area Six Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Assessment Area Six Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Assessment Area Six Bonds remain Outstanding, to the Assessment Area Six Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Assessment Area Six Reserve Requirement;

FOURTH, notwithstanding the foregoing, at any time the Assessment Area Six Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Assessment Area Six Interest Account, the amount necessary to pay interest on the Assessment Area Six Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Assessment Area Six Costs of Issuance Account upon the written request of the Issuer to cover any deficiencies in the amount allocated to pay the cost of issuing the Assessment Area Six Bonds and next, any balance in the Assessment Area Six Revenue Account shall remain on deposit in such Assessment Area Six Revenue Account, unless needed to be transferred to the Assessment Area Six Prepayment Subaccount for the purposes of rounding the principal amount of a Assessment Area Six Bond subject to extraordinary mandatory redemption pursuant to Sections 4.01(f) or 4.01(i) hereof to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Assessment Area Six Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Assessment Area Six Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Assessment Area Six Bonds, to execute and deliver the Assessment Area Six Indenture and to pledge the Assessment Area Six Pledged Revenues for the benefit of the Assessment Area Six Bonds to the extent set forth herein. The Assessment Area Six Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Assessment Area Six Bonds, except as otherwise permitted under the Master Indenture and Section 5.04 hereof. The Assessment Area Six Bonds and the provisions of the Assessment Area Six Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, and without waiving any sovereign immunity or limitation of liability afforded by Section 768.28, Florida Statutes, or other law, defend, preserve and protect the pledge created by the Assessment Area Six Indenture and all the rights of the Owners of the Assessment Area Six Bonds under the Assessment Area Six Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Assessment Area Six Project to Conform to Engineer's Report. Simultaneously with the issuance of the Assessment Area Six Bonds, the Issuer will promptly proceed to construct and/or acquire the Assessment Area Six Project as described in Exhibit A hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Assessment Area Six Special Assessment Liens.

(a) At any time any owner of property subject to the Assessment Area Six Special Assessments may, at its option, or as a result of acceleration of the Assessment Area Six Special Assessments because of non-payment thereof, shall, or by operation of law, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Assessment Area Six Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Assessment Area Six Special Assessment, which shall constitute Assessment Area Six Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Assessment Area Six Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Assessment Area Six Bonds pursuant to Section 3.01(b)(i) hereof, in the event the amount on deposit in the Assessment Area Six Reserve Account will exceed the Assessment Area Six Reserve Requirement for the Assessment Area Six Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption in accordance with Section 3.01(b)(i) of this Sixth Supplemental Trust Indenture of Assessment Area Six Bonds, the excess amount shall be transferred from the Assessment Area Six Reserve Account to the Assessment Area Six Prepayment Subaccount, as a credit against the Assessment Area Six Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer to the Trustee together with a certificate of a Responsible Officer of the Issuer, upon which the Trustee may conclusively rely, stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Assessment Area Six Reserve Account to equal or exceed the Assessment Area Six Reserve Requirement.

(b) Upon receipt of Assessment Area Six Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official improvement lien book of the District that the Assessment Area Six Special Assessment has been paid in whole or in part and that such Assessment Area Six Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Assessment Area Six Bonds pursuant to Section 3.01(b)(i) forty-five (45) days prior to each Quarterly Redemption Date.

The Assessment Area Six Special Assessments levied for each full year on platted lots shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635 Florida Statutes, (the "Uniform Method") unless the District determines that it is in its best interest to collect such Assessment Area Six Special Assessments directly. The Assessment Area Six Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method unless the District determines that it is in its best interest to do so. Prior to an Event of Default, the election to collect and enforce Assessment Area Six Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Assessment Area Six Special Assessments pursuant to any other method permitted by law in any subsequent year. Following any Event of Default, Assessment Area Six Special Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Assessment Area Six Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the Trustee, acting at the direction of the Majority Holders of the Assessment Area Six Bonds Outstanding, provides written consent/direction to a different method of collection. All Assessment Area Six Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Assessment Area Six Special Assessments shall not be deemed to be delinquent unless and until they are not paid by the applicable Interest Payment Date with respect to which they have been billed. The applicable assessment methodology shall not be materially amended without the written consent of the Majority Holders.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer and the Assessment Area Six Landowner has executed and delivered a Continuing Disclosure Agreement in order to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Funds, Accounts and subaccounts therein created hereunder.

In addition, the Issuer covenants not to issue any other Bonds or debt obligations, secured by Special Assessments on the assessable lands within the District that are subject to the Assessment Area Six Special Assessments, until such time as the Assessment Area Six Special Assessments are Substantially Absorbed or the Majority Holders have otherwise consented in writing. The District

shall present the Trustee with a certification that the Assessment Area Six Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Assessment Area Six Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Assessment Area Six Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the Issuer from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands not subject to the Assessment Area Six Special Assessments, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Assessment Area Six Project.

SECTION 5.05. Requisite Owners for Direction or Consent. Anything in the Master Indenture to the contrary notwithstanding, any direction or consent or similar provision which requires greater than fifty percent of the Owners, shall in each case be deemed to refer to, and shall mean, the Majority Holders..

SECTION 5.06. Acknowledgement Regarding the Moneys in the Assessment Area Six Acquisition and Construction Accounts Following an Event of Default. In accordance with the provisions of the Assessment Area Six Indenture, the Assessment Area Six Bonds are payable solely from the Assessment Area Six Pledged Revenues and any other moneys held by the Trustee under the Assessment Area Six Indenture for such purpose. Anything in the Assessment Area Six Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that, the Assessment Area Six Pledged Revenues include, without limitation, all amounts on deposit in the Assessment Area Six Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Assessment Area Six Bonds, (i) the Assessment Area Six Pledged Revenues may not be used by the Issuer (whether to pay costs of the Assessment Area Six Project or otherwise) without the consent of the Majority Holders and (ii) the Assessment Area Six Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Assessment Area Six Indenture, provided, however notwithstanding anything herein to the contrary the Trustee is also authorized to utilize the Assessment Area Six Pledged Revenues to pay fees and expenses as provided in Section 10.12 of the Master Indenture.

FORM OF BOND PURCHASE CONTRACT

**VILLAMAR COMMUNITY DEVELOPMENT DISTRICT
(CITY OF WINTER HAVEN, FLORIDA)**

\$[_____]
**SPECIAL ASSESSMENT BONDS, SERIES 2024
(ASSESSMENT AREA SIX PROJECT)**

BOND PURCHASE CONTRACT

[_____] , 2024

Board of Supervisors
VillaMar Community Development District
City of Winter Haven, Florida

Dear Board of Supervisors:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with VillaMar Community Development District (the "District"). The District is located within the incorporated municipal boundaries of the City of Winter Haven, Florida (the "City"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at 4:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[_____] aggregate principal amount of VillaMar Community Development District Special Assessment Bonds, Series 2024 (Assessment Area Six Project) (the "Bonds"). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Assessment Area Six Bonds shall be \$[_____] (representing the \$[_____] aggregate principal amount of the Assessment Area Six Bonds, [plus/less net original issue premium/discount of \$[_____] and] less an underwriter's discount of \$[_____]). The payment for and delivery of the Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the "Closing."

2. The Bonds. The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (the

"Act"), and by Ordinance Nos. O-18-70, O-20-40, O-21-32, and O-22-68 duly enacted by the City Commission of the City on November 26, 2018, October 26, 2020, April 12, 2021, and November 28, 2022, respectively (the "Ordinance"). The Assessment Area Six Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of June 1, 2019 (the "Master Indenture"), as supplemented by a Sixth Supplemental Trust Indenture dated as of [] 1, 2024 (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and Resolution Nos. 2019-24, 2021-08, 2023-02, and 2024-[] adopted by the Board of Supervisors (the "Board") of the District on December 5, 2018, March 2, 2021, January 11, 2023, and [December 5], 2023, respectively (collectively, the "Bond Resolution"). The Assessment Area Six Special Assessments, the revenues from which constitute the Assessment Area Six Pledged Revenues, have been, or will be prior to the time of Closing, levied by the District on the lands within the District specially benefited by the Assessment Area Six Project pursuant to the Assessment Resolutions (as such terms are defined in the Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter confirms that it has offered the Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(f) The Underwriter acknowledges that sales of any Bond to any person that is a related party to an Underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting

syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and provided to the Underwriter the Preliminary Limited Offering Memorandum, dated [____], 2024 (the "Preliminary Limited Offering Memorandum"), of the District, relating to the Bonds that the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") in connection with the limited offering of the Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the use of the Preliminary Limited Offering Memorandum by the Underwriter. The District shall deliver, or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date (as hereinafter defined) and in sufficient time to accompany any confirmation that requests payment from any customer such number of copies of the final Limited Offering Memorandum (the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda") as the Underwriter shall reasonably request to comply with the requirements of the Rule and all applicable rules of the Municipal Securities Rulemaking Board (the "MSRB"). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. The Underwriter agrees that it will not confirm the sale of any Bonds unless a final written confirmation of sale is accompanied or preceded by the delivery of a copy of the Limited Offering Memorandum. The District hereby approves the circulation and use by the Underwriter of the Limited Offering Memoranda with respect to the Bonds.

5. Definitions. For purposes hereof, (a) this Purchase Contract, the Bonds, the Indenture, the Continuing Disclosure Agreement to be dated as of the Closing Date, by and among the District and VMAR DEV, LLC, a Florida limited liability company (the "Assessment Area Six Landowner"), and Governmental Management Services – Central Florida, LLC, as dissemination

(b) The District has full legal right, power and authority to: (i) adopt the Bond Resolution and the Assessment Resolutions; (ii) enter into the Financing Documents and Ancillary Agreements; (iii) sell, issue and deliver the Bonds to the Underwriter as provided herein; (iv) apply the proceeds of the sale of the Bonds for the purposes described in the Limited Offering Memoranda; (v) authorize and acknowledge the use of the Limited Offering Memoranda and authorize the execution of the Limited Offering Memorandum; and (vi) carry out and consummate the transactions contemplated by the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements, and the Limited Offering Memoranda. (c) At meetings of the Board that were duly called and noticed and at which a quorum was present and acting throughout, the Board duly adopted the Bond Resolution and the Assessment Resolutions, and the same are in full force and effect and have not been supplemented, amended, modified or repealed, except as set forth therein. By all necessary official Board action, the District has duly authorized and approved the use and delivery of the Preliminary Limited Offering Memorandum and the execution and delivery of the Financing Documents, the Ancillary Agreements, the Bonds and the Limited Offering Memorandum, has duly authorized and approved the performance by the District of the obligations on its part contained in the Financing Documents, the Ancillary Agreements and the Bonds and the consummation by it of all other transactions contemplated by this Purchase Contract and the Limited Offering Memoranda in connection with the issuance

Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto) the Financing Documents and the Ancillary Agreements will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms; subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) Except as may be expressly disclosed in the Preliminary Limited Offering Memorandum, the District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Bonds, the Financing Documents, the Ancillary Agreements and the Limited Offering Memorandum, the approval of the delivery of the Preliminary Limited Offering Memorandum, and the adoption of the Bond Resolution and the Assessment Resolutions, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision, or law, or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolutions, the Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Bonds, the Financing Documents or the Ancillary Agreements;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which are required for the due authorization by, or which would constitute a condition precedent to, or the absence of which would materially adversely affect, the due performance by the District of its obligations, to issue the Bonds, or under the Bonds, the Bond Resolution, the Assessment Resolutions, Financing Documents or the Ancillary Agreements have been duly obtained, except for such approvals, consents and orders as

may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds;

(f) The descriptions of the Bonds, the Financing Documents, the Ancillary Agreements and the Assessment Area Six Project to the extent referred to in the Limited Offering Memoranda, conform in all material respects to the Bonds, the Financing Documents, the Ancillary Agreements and the Assessment Area Six Project, respectively;

(g) The Bonds, when issued, executed and delivered in accordance with the Indenture and when sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture and upon such issuance, execution and delivery of the Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Bonds, a legally valid and binding pledge of and first lien on the Assessment Area Six Pledged Revenues. On the Closing Date, all conditions precedent to the issuance of the Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) As of the date hereof, there is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of the Assessment Area Six Special Assessments or the pledge of and lien on the Assessment Area Six Pledged Revenues, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Bonds, or the authorization of the Assessment Area Six Project, the Bond Resolution, the Assessment Resolutions, the Financing Documents and Ancillary Agreements to which the District is a party, or the application of the proceeds of the Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the Closing Date, the statements and information contained in the Preliminary Limited Offering Memorandum (other than Permitted Omissions) and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE ASSESSMENT AREA SIX BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE ASSESSMENT AREA SIX LANDOWNER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Assessment Area Six Landowner" and "UNDERWRITING";

B. RELIANCE

This opinion is solely for the benefit of the (i) District; (ii) the Underwriter; and (iii) the Trustee; however, the Trustee may only rely on this opinion for the limited purposes of the opinions stated in Sections C.1, C.2, and C.3. This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, Florida Statutes (the "Act"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Pledged Revenues to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Assessment Resolution, (c) Bonds, (d) Indenture, and (d) Bond Agreements (assuming due authorization, execution and delivery of documents (c) – (d) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court for the Tenth Judicial Circuit, in and for Polk County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "INTRODUCTION" (as it relates to the District only), "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA SIX BONDS – Prepayment of Assessment Area Six Special Assessments," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "THE DEVELOPMENT – Assessment Area Six Landowner Agreements" (solely as to the description of the agreements), "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions

stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Upon due inquiry of the District's Registered Agent for service of process and the fact that said registered agent has not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the Assessment Area Six Project*** – The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Assessment Area Six Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District documents. We have also assumed the legality and validity of the following Executive Orders of

Governor DeSantis of the State of Florida: 2020-52 issued March 9, 2020 and 2020-69 issued March 20, 2020, as amended, extended and supplemented, respectively.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.

5. We express no opinion and make no representations with regard to financial information or statistical data. We express no opinion as to compliance with any state or federal tax laws.

6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Assessment Area Six Landowner is able to convey good and marketable title to any particular real property or interest therein and related to the Assessment Area Six Project.

7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of District.

8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may

thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

Re: \$[____] VillaMar Community Development District Special Assessment
 Bonds, Series 2024 (Assessment Area Six Project) (the "Bonds")

Ladies and Gentlemen:

I am counsel to VMAR DEV, LLC, a Florida limited liability company (the "Assessment Area Six Landowner), which is the developer and owner of certain land within the planned community located in the Winter Haven, Florida and commonly referred to as "VillarMar," as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Assessment Area Six Landowner in connection with the issuance by the VillaMar Community Development District (the "District") of the above-referenced Bonds, as further described in the District's Preliminary Limited Offering Memorandum dated [____], 2024 and the District's final Limited Offering Memorandum, dated [____], 2024, including the appendices attached thereto (collectively, the "Limiting Offering Memoranda"). Capitalized terms not defined herein shall have the meaning set forth in the Limited Offering Memoranda.

It is my understanding that the Assessment Area Six Bonds are being issued for the purposes of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Assessment Area Six Project, (ii) funding a deposit to the Assessment Area Six Reserve Account in an amount equal to the Assessment Area Six Reserve Requirement, (iii) paying a portion of the interest coming due on the Assessment Area Six Bonds, and (iv) paying the costs of issuance of the Assessment Area Six Bonds.

In my capacity as counsel to the Assessment Area Six Landowner, I have examined originals or copies identified to my satisfaction as being true copies of the Limiting Offering Memoranda, the Continuing Disclosure Agreement to be dated as of the Closing Date (the "Continuing Disclosure Agreement"), by and among the District, the Assessment Area Six Landowner, and Governmental Management Services – Central Florida, LLC, as dissemination agent, the Agreement Regarding the Completion of Certain Improvements by and between the District and the Assessment Area Six Landowner dated as of the Closing Date (the "Completion Agreement"), the Agreement Regarding the Acquisition of Work Product, Improvements, and Real Property by and between the District and the Assessment Area Six Landowner dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment and Assumption of Development Rights Relating to the Assessment Area Six Project by and between the District and the Assessment Area Six Landowner dated as of the Closing Date (the "Collateral Assignment"), the Agreement Regarding True-Up as to Assessment Area Six Special Assessments by and between the District and the Assessment Area Six Landowner dated as of the Closing Date (the "True-Up Agreement"), and the Declaration of Consent to Jurisdiction of the District, Imposition of Special Assessments and Imposition of Lien of Record dated as of the Closing Date and executed by the Assessment Area Six Landowner (the "Declaration of Consent") (collectively, the "Documents") and have made such examination of law as I have deemed necessary or appropriate in rendering this opinion. In connection with the forgoing, I also have reviewed and examined the Operating Agreement of the Assessment Area Six Landowner dated as of December 6, 2019 and the Assessment Area Six Landowner's Articles of Organization filed on December 6, 2019, and certificate of good standing issued by the State of Florida for the Assessment Area Six Landowner on [_____, 2023] (collectively, the "Organizational Documents").

In rendering this opinion, I have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Assessment Area Six Landowner) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "my knowledge," the words "my knowledge" signify that, in the course of my representation of Assessment Area Six Landowner, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters.

Based on the forgoing, I am of the opinion that:

1. The Assessment Area Six Landowner is a limited liability company organized and existing under the laws of the State of Florida.
2. The Assessment Area Six Landowner has the power to conduct its business and to undertake the funding of the development of the lands in the District as described in the Limited Offering Memoranda and to enter into the Documents.
3. The Documents have been duly authorized, executed and delivered by the Assessment Area Six Landowner and are in full force and effect. Assuming the due authorization,

execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Assessment Area Six Landowner, enforceable in accordance with their respective terms.

4. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE ASSESSMENT AREA SIX LANDOWNER," "LITIGATION – The Assessment Area Six Landowner," and "CONTINUING DISCLOSURE" (as it relates to the Assessment Area Six Landowner only) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.

5. The execution, delivery and performance of the Documents by the Assessment Area Six Landowner do not violate (i) the operating agreements or by-laws of the Assessment Area Six Landowner, (ii) to my knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to me to which the Assessment Area Six Landowner is a party or by which its assets are or may be bound; or (iii) to my knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Assessment Area Six Landowner or its respective assets.

6. Nothing has come to my attention that would lead me to believe that the Assessment Area Six Landowner is not in compliance in all material respects with all provisions of applicable law in all material matters relating to such entity as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) I have no knowledge that the Assessment Area Six Landowner has not received all government permits, consents and licenses required in connection with the construction and completion of the Assessment Area Six Project and the development of Assessment Area Six as described in the Limited Offering Memoranda; (b) I have no knowledge of any zoning condition, land use permit or development agreement which would adversely affect the Assessment Area Six Landowner's ability to complete the Assessment Area Six Project or the development of Assessment Area Six as described in the Limited Offering Memoranda and all appendices thereto; and (c) I have no knowledge and am not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the Assessment Area Six Project or the development of Assessment Area Six as described in the Limited Offering Memoranda will not be obtained in due course as required by the Assessment Area Six Landowner.

7. To the best of my knowledge after due inquiry, the levy of the Assessment Area Six Special Assessments on the applicable lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Assessment Area Six Landowner is a party or to which the Assessment Area Six Landowner or any of its properties or assets are subject.

8. To the best of my knowledge after due inquiry, there is no litigation pending which would prevent or prohibit the development of the Assessment Area Six Project or Assessment Area Six in accordance with the descriptions thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto or which may result in any material adverse change in the

respective business, properties, assets or financial condition of the Assessment Area Six Landowner.

9. To the best of my knowledge after due inquiry, the Assessment Area Six Landowner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of my knowledge after due inquiry, the Assessment Area Six Landowner has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To the best of my knowledge after due inquiry, the Assessment Area Six Landowner is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets are subject, which default would have a material adverse effect on the Assessment Area Six Bonds, the completion of the Assessment Area Six Project or development of Assessment Area Six.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is expressed. This letter is for the benefit of and may be relied upon solely by the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

My opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Very truly yours,

**VILLAMAR COMMUNITY DEVELOPMENT DISTRICT
(CITY OF WINTER HAVEN, FLORIDA)**

**[\$7,680,000]*
SPECIAL ASSESSMENT BONDS, SERIES 2024
(ASSESSMENT AREA SIX PROJECT)**

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page, inside cover, and appendices hereto, is to provide certain information in connection with the issuance and sale by VillaMar Community Development District (the "District" or the "Issuer") of its \$[7,680,000]* aggregate principal amount of Special Assessment Bonds, Series 2024 (Assessment Area Six Project) (the "Assessment Area Six Bonds").

PROSPECTIVE INVESTORS SHOULD BE AWARE OF CERTAIN RISK FACTORS, ANY OF WHICH, IF MATERIALIZED TO A SUFFICIENT DEGREE, COULD DELAY OR PREVENT PAYMENT OF PRINCIPAL OF AND/OR INTEREST ON THE ASSESSMENT AREA SIX BONDS. THE ASSESSMENT AREA SIX BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE ASSESSMENT AREA SIX BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES PROMULGATED THEREUNDER. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE ASSESSMENT AREA SIX BONDS. See "SUITABILITY FOR INVESTMENT" and "BONDOWNERS' RISKS" herein.

The District is a local unit of special-purpose government of the State of Florida (the "State"), created in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance Nos. O-18-70, duly enacted by the City Commission of the City of Winter Haven, Florida (the "City") on November 26, 2018, as amended (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

* Preliminary, subject to change.

The District encompasses approximately 583.79 acres of land (the "District Lands") located within the incorporated boundaries of the City, situated in Polk County, Florida (the "County"). For more complete information about the District, its Board of Supervisors and the District Manager, see "THE DISTRICT" herein. The District Lands are being developed as a residential community known as "VillaMar" (the "Development"). At buildout, the Development is expected to consist of approximately [2,002] single-family homes, along with recreation and amenity areas. See "THE DEVELOPMENT" herein for more information.

The District Lands are being developed in phases, and separate and distinct "Assessment Areas" have been created therein. The District previously issued: (i) its Assessment Area One Bonds (as defined herein) to fund a portion of the public infrastructure improvements associated with the development of Assessment Area One of the District, which consists of 334 single-family lots; (ii) its Assessment Area Two Bonds (as defined herein) to fund a portion of the public infrastructure improvements associated with the development of Assessment Area Two of the District, which consists of 281 single-family lots; (iii) its Assessment Area Three Bonds (as defined herein) to fund a portion of the public infrastructure improvements associated with the development of Assessment Area Three of the District, which consists of 140 single-family lots; (iv) its Assessment Area Four Bonds (as defined herein) to fund a portion of the public infrastructure improvements associated with the development of Assessment Area Four of the District, which consists of 200 single-family lots; and (v) its Assessment Area Five Bonds (as defined herein) to fund a portion of the public infrastructure improvements associated with the development Assessment Area Five, which [is planned to contain] 443 single-family lots. See "THE DISTRICT – Outstanding Bond Indebtedness" and "THE DEVELOPMENT – Update on Prior Phases" herein for more information regarding the District's Prior Bonds and the status of development within prior Assessment Areas.

The next phase of the Development consists of approximately [___] acres and is planned for 393 single-family lots ("Assessment Area Six"). The Assessment Area Six Bonds will fund a portion of the District's public infrastructure improvements associated with the development of Assessment Area Six (the "Assessment Area Six Project"). See "CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA SIX PROJECT" herein. The Assessment Area Six Special Assessments (as defined herein), which will secure the Assessment Area Six Bonds, are levied on the District Lands within Assessment Area Six. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information regarding the allocation of the Assessment Area Six Special Assessments.

All of the land in Assessment Area Six is owned by [VMAR DEV, LLC], a Florida limited liability company (the "Assessment Area Six Landowner"). See "THE ASSESSMENT AREA SIX LANDOWNER" herein for more information. The Assessment Area Six Landowner has entered into builder contracts for the sale of all 393 lots planned within Assessment Area Six as follows: (i) Meritage (as defined herein) for the sale of 150 developed lots to be delivered upon development completion, (ii) D.R. Horton (as defined herein) for the sale 143 developed lots to be delivered upon development completion, and (iii) Casa Fresca (as defined herein) for the sale of 100 developed lots to be delivered upon development completion (collectively, the "Builder Contracts"). See "THE DEVELOPMENT – Builder Contracts" herein for more information.

The Assessment Area Six Bonds are being issued pursuant to the Act, Resolution Nos. 2019-24, 2021-08, 2023-02, and 2024-[] adopted by the Board of Supervisors (the "Board") of the District on December 5, 2018, March 2, 2021, January 11, 2023, and [December 5], 2023, respectively (collectively, the "Resolution"), and a Master Trust Indenture dated as of June 1, 2019 (the "Master Indenture"), as supplemented by a Sixth Supplemental Trust Indenture, dated as [] 1, 2024 (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as successor trustee (the "Trustee"). Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture.

The Assessment Area Six Bonds are being issued for the purposes of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Assessment Area Six Project, (ii) funding a deposit to the Assessment Area Six Reserve Account in the amount equal to the Assessment Area Six Reserve Requirement (each as defined herein), (iii) paying a portion of the interest coming due on the Assessment Area Six Bonds, and (iv) paying the costs of issuance of the Assessment Area Six Bonds. See "ESTIMATED SOURCES AND USES OF FUNDS" and "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SUPPLEMENTAL INDENTURE" hereto.

The Assessment Area Six Bonds are payable from and secured solely by the Assessment Area Six Pledged Revenues. The Assessment Area Six Pledged Revenues for the Assessment Area Six Bonds consist of (a) all revenues received by the District from Assessment Area Six Special Assessments levied and collected on the assessable lands within Assessment Area Six benefitted by the Assessment Area Six Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Assessment Area Six Special Assessments or from the issuance and sale of tax certificates with respect to such Assessment Area Six Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture created and established with respect to or for the benefit of the Assessment Area Six Bonds; provided, however, that Assessment Area Six Pledged Revenues shall not include (A) any moneys transferred to the Assessment Area Six Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Assessment Area Six Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Assessment Area Six Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA SIX BONDS" herein.

Set forth herein are brief descriptions of the District, Assessment Area Six, the Assessment Area Six Project, the Assessment Area Six Landowner and the Development, together with summaries of terms of the Assessment Area Six Bonds, the Indenture, and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and the Act and all references to the Assessment Area Six Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture. A copy of the Master Indenture and proposed form of the Supplemental Indenture appear as APPENDIX B attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

DESCRIPTION OF THE ASSESSMENT AREA SIX BONDS

General Description

The Assessment Area Six Bonds will be dated, will bear interest at the rates per annum (computed on the basis of a 360-day year consisting of twelve 30-day months) and, subject to the redemption provisions set forth below, will mature on the dates and in the amounts set forth on the inside cover pages of this Limited Offering Memorandum. Interest on the Assessment Area Six Bonds will be payable semi-annually on each May 1 and November 1, commencing [May 1, 2024], until maturity or prior redemption. U.S. Bank Trust Company, National Association is the initial Trustee, Paying Agent and Registrar for the Assessment Area Six Bonds.

The Assessment Area Six Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof provided, except as otherwise provided in the Indenture. The Assessment Area Six Bonds will initially be offered only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder; provided, however, the limitation of the initial offering to Accredited Investors does not denote restrictions on transfer in any secondary market for the Assessment Area Six Bonds. See "SUITABILITY FOR INVESTMENT" herein.

Upon initial issuance, the Assessment Area Six Bonds shall be issued as one fully registered bond for each maturity of Assessment Area Six Bonds and deposited with The Depository Trust Company ("DTC"), New York, New York, which is responsible for establishing and maintaining records of ownership for its participants. As long as the Assessment Area Six Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes of the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Assessment Area Six Bonds ("Beneficial Owners"). Principal and interest on the Assessment Area Six Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC nor its nominee, the Trustee or the District. During the period for which Cede & Co. is registered owner of the Assessment Area Six Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system for the Assessment Area Six Bonds, the Trustee shall deliver bond certificates in

accordance with the instructions from DTC or its successor, and after such time the Assessment Area Six Bonds may be exchanged for an equal aggregate principal amount of such Assessment Area Six Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "– Book-Entry Only System" herein.

Redemption Provisions

Optional Redemption

The Assessment Area Six Bonds maturing after May 1, 20__ may, at the option of the District be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Assessment Area Six Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Assessment Area Six Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Assessment Area Six Optional Redemption Subaccount of the Assessment Area Six Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Assessment Area Six Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Assessment Area Six Bonds is substantially level.

Upon any redemption of Assessment Area Six Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Assessment Area Six Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Assessment Area Six Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Assessment Area Six Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Assessment Area Six Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Assessment Area Six Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Assessment Area Six Prepayment Principal deposited into the Assessment Area Six Prepayment Subaccount of the Assessment Area Six Bond Redemption Account following the payment in whole or in part of Assessment Area Six Special Assessments on any assessable property within Assessment Area Six in accordance with the provisions of the Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Assessment Area Six Reserve Account to the Assessment Area Six Prepayment Subaccount as a result of such Prepayment and pursuant to the Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Assessment Area Six Bonds to be

redeemed from each maturity so that debt service on the remaining Outstanding Assessment Area Six Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee under the Supplemental Indenture (other than the Assessment Area Six Rebate Fund and the Assessment Area Six Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Assessment Area Six Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Assessment Area Six Acquisition and Construction Account in accordance with the provisions of the Supplemental Indenture, not otherwise reserved to complete the Assessment Area Six Project and transferred to the Assessment Area Six General Redemption Subaccount of the Assessment Area Six Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of the Supplemental Indenture, as a result of the reduction of the Assessment Area Six Reserve Requirement. If such redemption shall be in part, the District shall select such principal amount of Assessment Area Six Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Assessment Area Six Bonds is substantially level.

"Quarterly Redemption Date" shall mean each February 1, May 1, August 1, and November 1 of any calendar year.

Notice of Redemption

When required to redeem Assessment Area Six Bonds under the Indenture or when directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed at least thirty (30) but not more than sixty (60) days prior to the redemption date to all Owners of Assessment Area Six Bonds to be redeemed (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered address, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption of the Assessment Area Six Bonds for which notice was duly mailed in accordance with the Indenture. If, at the time of mailing of notice of an optional redemption, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all of the Assessment Area Six Bonds called for redemption, such notice shall expressly state that the redemption is conditional and is subject to the deposit of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

Purchase of Assessment Area Six Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Assessment Area Six Sinking Fund Account to the purchase of the Assessment Area Six Bonds which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Assessment Area Six Bonds. The Assessment Area Six Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Assessment Area Six Bond certificate will be issued for each maturity of the Assessment Area Six Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Assessment Area Six Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Assessment Area Six Bonds on DTC's records. The ownership interest of each actual purchaser of each Assessment Area Six Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Assessment Area Six Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Assessment Area Six Bonds, except in the event that use of the book-entry system for the Assessment Area Six Bonds is discontinued.

To facilitate subsequent transfers, all Assessment Area Six Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or

such other name as may be requested by an authorized representative of DTC. The deposit of Assessment Area Six Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Assessment Area Six Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Assessment Area Six Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Assessment Area Six Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Assessment Area Six Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Assessment Area Six Bond documents. For example, Beneficial Owners of Assessment Area Six Bonds may wish to ascertain that the nominee holding the Assessment Area Six Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Assessment Area Six Bonds within a series or maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Assessment Area Six Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Assessment Area Six Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Assessment Area Six Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Assessment Area Six Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Assessment Area Six Bonds by causing the Direct Participant to transfer the Participant's interest in the Assessment Area Six Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Assessment Area Six Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Assessment Area Six Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Assessment Area Six Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Assessment Area Six Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Assessment Area Six Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository) pursuant to the procedures of DTC. In that event, Security certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

The Assessment Area Six Bonds are payable from and secured solely by the Assessment Area Six Pledged Revenues. The "Assessment Area Six Special Assessments" consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within Assessment Area Six specially benefited by the Assessment Area Six Project, or any portions thereof, pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Assessment Area Six Special Assessments will constitute a lien against the land as to which the Assessment Area Six Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Assessment Area Six Special Assessments are levied in an amount corresponding to the debt service on the Assessment Area Six Bonds on the basis of benefit received by the lands within the District as a result of the Assessment Area Six Project. The Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the Assessment Area Six Special Assessments to the assessable lands within Assessment Area Six, is included as APPENDIX E attached hereto.

In the Master Indenture, the District has covenanted that, if any Assessment Area Six Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Assessment Area Six Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Assessment Area Six Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Assessment Area Six Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement or (ii) in its sole discretion, make up the amount of such Assessment Area Six Special Assessment from any legally available moneys, which shall be deposited into the Assessment Area Six Account in the Revenue Fund. In case such second Assessment Area Six Special Assessment shall be annulled, the District shall obtain and make other Assessment Area Six Special Assessments until a valid Assessment Area Six Special Assessment shall be made.

Prepayment of Assessment Area Six Special Assessments

The Assessment Proceedings provide that an owner of property subject to the Assessment Area Six Special Assessments may prepay the entire remaining balance of such Assessment Area Six Special Assessment at any time, or a portion of the remaining balance of such Assessment Area Six Special Assessments one time, if there is also paid, in addition to the prepaid principal balance of the Assessment Area Six Special Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Assessment Area Six Bonds or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of the Assessment Area Six Special Assessments does not entitle the property owner to any discounts for early payment.

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Assessment Area Six Special Assessments may pay the entire balance of the Assessment Area Six Special Assessments remaining due, without interest, within thirty (30) days after the Assessment Area Six Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area Six Project pursuant to Chapter 170.09, Florida Statutes. The Assessment Area Six Landowner, as the sole owner of the assessable property within Assessment Area Six, will covenant to waive this right on behalf of itself and its successors and assigns in connection with the issuance of the Assessment Area Six Bonds. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Assessment Area Six Bonds are subject to extraordinary redemption as indicated under "DESCRIPTION OF THE ASSESSMENT AREA SIX BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional and required prepayments of Assessment Area Six Special Assessments by property owners.

Additional Bonds

Under the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Assessment Area Six Special Assessments. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by Special Assessments on the assessable lands within the District that are subject to the Assessment Area Six Special Assessments, until such time as the Assessment Area Six Special Assessments are Substantially Absorbed or the Majority Holders have otherwise consented in writing. "Substantially Absorbed" means the date at least ninety percent (90%) of the principal portion of the Assessment Area Six Special Assessments have been assigned to residential units within Assessment Area Six that have received certificates of occupancy. The District shall present the Trustee with a certification that the Assessment Area Six Special Assessments are Substantially Absorbed, and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Assessment Area Six Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Assessment Area Six Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the District from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands [outside of Assessment Area Six], or to finance any other capital project

that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Assessment Area Six Project.

The District (subject to the limitations described above) and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Assessment Area Six Special Assessments without the consent of the Owners of the Assessment Area Six Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Assessment Area Six Special Assessments on the same lands upon which the Assessment Area Six Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS – Other Taxes and Assessments" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District has covenanted that (a) except for those improvements comprising the Projects that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity, as to which no assessments of the District will be imposed and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Projects or any part thereof. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SUPPLEMENTAL INDENTURE" herein.

Acquisition and Construction Account

The Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Assessment Area Six Acquisition and Construction Account." Net proceeds of the Assessment Area Six Bonds shall be deposited into the Assessment Area Six Acquisition and Construction Account in the amount set forth in the Supplemental Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Assessment Area Six Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 (as defined below) as certified in writing by the District Manager upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in the Indenture, the Acquisition Agreement (as defined in the Indenture) and the Engineer's Report (as defined herein). Funds on deposit in the Assessment Area Six Acquisition and Construction Account shall only be requested by the District to be applied to the Costs of the Assessment Area Six Project, subject to the provisions of the Supplemental Indenture. Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Assessment Area Six Reserve Account in excess of the Assessment Area Six Reserve Requirement, as applicable and as calculated by the District, shall then be transferred by the Trustee to the Assessment Area Six Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in the Supplemental Indenture. See " – Reserve Account" herein for more information regarding Reserve Release Conditions #1 or Reserve Release Conditions #2.

Following the Completion Date for the Assessment Area Six Project, all moneys remaining in the Assessment Area Six Acquisition and Construction Account (and any excess funds from the

Assessment Area Six Reserve Account) that have not been requisitioned within thirty (30) days after satisfaction of the Reserve Release Conditions #2, shall be transferred to the Assessment Area Six General Redemption Subaccount, as directed in writing by the District Manager, on behalf of the District to the Trustee to be applied as provided in the Supplemental Indenture. Notwithstanding the foregoing, the Assessment Area Six Acquisition and Construction Account shall not be closed until the Reserve Release Conditions #2 shall have occurred and the excess funds from the Assessment Area Six Reserve Account shall have been transferred to the Assessment Area Six Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with, or as otherwise provided in, the Supplemental Indenture. The Trustee shall not be responsible for determining the amounts in the Assessment Area Six Acquisition and Construction Account and subaccounts allocable to the Assessment Area Six Project or any transfers made to such Accounts in accordance with direction from the District Manager.

The Trustee shall make no such transfers from the Assessment Area Six Acquisition and Construction Account to the Assessment Area Six General Redemption Subaccount if an Event of Default exists with respect to the Assessment Area Six Bonds, of which the Trustee has actual notice as described in the Master Indenture. Except as provided in the Supplemental Indenture, the Trustee withdraw moneys from the Assessment Area Six Acquisition and Construction Account or subaccounts therein only upon presentment to the Trustee of a properly signed requisition in substantially the form attached to the Supplemental Indenture. After no funds remain in the Assessment Area Six Acquisition and Construction Account, such Account shall be closed.

Reserve Account

The Indenture establishes a separate account with the Debt Service Reserve Fund designated as the "Assessment Area Six Reserve Account" within the Debt Service Reserve Fund solely for the benefit of the Assessment Area Six Bonds. Proceeds of the Assessment Area Six Bonds in the amount of the Assessment Area Six Reserve Requirement will be deposited into the Assessment Area Six Reserve Account.

"Assessment Area Six Reserve Requirement" or "Reserve Requirement" shall mean (i) initially, an amount equal to the maximum annual debt service on the Assessment Area Six Bonds as calculated from time to time; (ii) upon the occurrence of the Reserve Release Conditions #1, fifty percent (50%) of the maximum annual debt service on the Assessment Area Six Bonds as calculated from time to time; and (iii) upon the occurrence of the Reserve Release Conditions #2, ten percent (10%) of the maximum annual debt service on the Assessment Area Six Bonds as calculated from time to time. Upon satisfaction of the Reserve Release Conditions #1 or Reserve Release Conditions #2, as applicable, such excess amount shall be released from the Assessment Area Six Reserve Account and transferred to the Assessment Area Six Acquisition and Construction Account in accordance with the provisions of the Supplemental Indenture. For the purpose of calculating the Assessment Area Six Reserve Requirement, maximum annual debt service, fifty percent (50%) of maximum annual debt service, or ten percent (10%) of maximum annual debt service, as the case may be, shall be recalculated in connection with the extraordinary mandatory redemption resulting from the receipt of Assessment Area Six Prepayment Principal or following the Completion Date, as described in the Supplemental Indenture (but not upon the optional or mandatory sinking fund redemption thereof), and such excess amount shall be released

from the Assessment Area Six Reserve Account and, other than as provided in the immediately preceding sentence, transferred to the Assessment Area Six General Redemption Subaccount or the Assessment Area Six Prepayment Subaccount as applicable, in accordance with the provisions of the Supplemental Indenture. Amounts on deposit in the Assessment Area Six Reserve Account may, upon final maturity or redemption of all Outstanding Assessment Area Six Bonds be used to pay principal of and interest on the Assessment Area Six Bonds at that time. Initially, the Assessment Area Six Reserve Requirement shall be equal to \$ _____.

"Reserve Release Conditions #1" shall mean, collectively (i) all of the Outstanding principal amount of the Assessment Area Six Special Assessments shall have been assigned to lots that have been developed, platted and conveyed to homebuilders, and (ii) there shall be no Events of Default under the Assessment Area Six Indenture, all as certified by the District Manager in writing upon which the Trustee may conclusively rely.

"Reserve Release Conditions #2" shall mean collectively (i) satisfaction of Reserve Release Conditions #1, (ii) all of the Outstanding principal portion of the Assessment Area Six Special Assessments has been assigned to homes that have received a certificate of occupancy, and (iii) there shall be no Events of Default under the Assessment Area Six Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

Notwithstanding any provisions in the Master Indenture to the contrary, the District covenants not to substitute the cash and Investment Securities on deposit in the Assessment Area Six Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Assessment Area Six Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Assessment Area Six Reserve Account and transfer any excess therein above the Assessment Area Six Reserve Requirement resulting from investment earnings, to the Assessment Area Six Revenue Account in accordance with the Supplemental Indenture.

Subject to the provisions of the Supplemental Indenture, on any date the District receives notice from the District Manager that a landowner wishes to prepay its Assessment Area Six Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the District shall calculate, or cause the District Manager on behalf of the District to calculate, the principal amount of such Prepayment, taking into account a credit against the amount of Assessment Area Six Prepayment Principal due by the amount of money in the Assessment Area Six Reserve Account that will be in excess of the Assessment Area Six Reserve Requirement for the Assessment Area Six Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Assessment Area Six Prepayment Subaccount of the Assessment Area Six Bond Redemption Account as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Assessment Area Six Reserve Account to the Assessment Area Six Prepayment Subaccount of the Assessment Area Six Bond Redemption Account to be used for the extraordinary mandatory redemption of the Assessment Area Six Bonds

in accordance with the Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Assessment Area Six Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Assessment Area Six Bonds to the Assessment Area Six General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Assessment Area Six Special Assessments and applied to redeem a portion of the Assessment Area Six Bonds is less than the principal amount of Assessment Area Six Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Assessment Area Six Reserve Account to the Assessment Area Six Acquisition and Construction Account and pay such amount as designated in a requisition, in the form attached to the Supplemental Indenture, to the District submitted by the Assessment Area Six Landowner within thirty (30) days of such transfer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared, provided the Assessment Area Six Landowner can establish to the satisfaction of the Consulting Engineer Costs of the Assessment Area Six Project that were not paid from moneys initially deposited in the Assessment Area Six Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Assessment Area Six Landowner, such excess moneys transferred from the Assessment Area Six Reserve Account to the Assessment Area Six Acquisition and Construction Account shall be deposited into the Assessment Area Six General Redemption Subaccount of the Assessment Area Six Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in the Supplemental Indenture is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Assessment Area Six Reserve Account to the Assessment Area Six Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #2, such excess moneys in the Assessment Area Six Acquisition and Construction Account shall then be transferred by the Trustee to the Assessment Area Six General Redemption Subaccount and applied to the redemption of Assessment Area Six Bonds as provided in the Supplemental Indenture.

In addition, and together with the moneys transferred from the Assessment Area Six Reserve Account as described in the foregoing paragraph, if the amount on deposit in the Assessment Area Six General Redemption Subaccount is not sufficient to redeem a principal amount of Assessment Area Six Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Assessment Area Six Revenue Account to round up to the amount in the Assessment Area Six General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Assessment Area Six Revenue Account shall be made to pay interest on and/or principal of the Assessment Area Six Bonds for the redemption pursuant to the Supplemental Indenture if, as a result, the deposits required under the Supplemental Indenture and described in paragraphs FIRST through FIFTH under the subheading " – Deposit and Application of the Pledged Revenues" herein cannot be made in full.

It shall be an event of default under the Indenture if at any time the amount in the Assessment Area Six Reserve Account is less than the Reserve Requirement therefor as a result of

the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Assessment Area Six Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Pledged Revenues

The Indenture establishes within the Revenue Fund a separate account designated the "Assessment Area Six Revenue Account." Assessment Area Six Special Assessments (except for Prepayments of Assessment Area Six Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Assessment Area Six Prepayment Subaccount) shall be deposited by the Trustee into the Assessment Area Six Revenue Account. Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Assessment Area Six Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing [May 1, 2024], to the Assessment Area Six Interest Account of the Debt Service Fund, an amount equal to the interest on the Assessment Area Six Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Assessment Area Six Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Assessment Area Six Sinking Fund Account, an amount equal to the principal amount of Assessment Area Six Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Assessment Area Six Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Assessment Area Six Bonds remain Outstanding, to the Assessment Area Six Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Assessment Area Six Reserve Requirement;

FOURTH, notwithstanding the foregoing, at any time the Assessment Area Six Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Assessment Area Six Interest Account, the amount necessary to pay interest on the Assessment Area Six Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Assessment Area Six Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Assessment Area Six Bonds and next, any balance in the Assessment Area Six Revenue Account shall remain on deposit in such Assessment Area Six Revenue Account, unless needed to be transferred to the Assessment Area Six Prepayment Subaccount for the purposes of rounding the principal amount of a Assessment Area Six Bond subject to extraordinary mandatory redemption pursuant to the

Supplemental Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Assessment Area Six Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

Pursuant to the Master Indenture, the Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund created under any Supplemental Indenture only in Government Obligations and certain specified types of Investment Securities (as defined in the Master Indenture), unless the applicable Supplemental Indenture provides for alternate investments. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the District in writing, invest moneys held in any Series Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein. All securities securing investments pursuant to the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided hereinafter. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder invested or for any losses because such amounts were not invested. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SUPPLEMENTAL INDENTURE" attached hereto.

Master Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

For purposes the following, (a) Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under a Supplemental Indenture as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments." The Master Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable

both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (herein, an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District has agreed in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District will acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District has agreed in the Master Indenture that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the District has agreed in the Master Indenture that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District has agreed in the Master Indenture that the Trustee shall have the right (i) to file a

proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Assessment Area Six Bonds:

(a) if payment of any installment of interest on any Assessment Area Six Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Assessment Area Six Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by the Majority Holder of the Assessment Area Six Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Assessment Area Six Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holder of the Outstanding Assessment Area Six Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Assessment Area Six Reserve Account is less than the Assessment Area Six Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Assessment Area Six Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) if on an Interest Payment Date the amount in the Assessment Area Six Interest Account, the Assessment Area Six Principal Account or the Assessment Area Six Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on the Assessment Area

Six Bonds on such Interest Payment Date (without regard to any amount available for such purpose in the Reserve Account); or

(h) if, at any time after eighteen months following issuance of the Assessment Area Six Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands upon which the Assessment Area Six Special Assessments are levied to secure the Assessment Area Six Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Assessment Area Six Bonds shall be subject to acceleration. Upon occurrence and continuance of an Event of Default with respect to the Assessment Area Six Bonds, no optional redemption or extraordinary mandatory redemption of Assessment Area Six Bonds pursuant to the Indenture shall occur unless all of the Assessment Area Six Bonds will be redeemed or if 100% of the Holders of the Assessment Area Six Bonds agree to such redemption.

If any Event of Default with respect to the Assessment Area Six Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of the Outstanding Assessment Area Six Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Assessment Area Six Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Assessment Area Six Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Assessment Area Six Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Assessment Area Six Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Assessment Area Six Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Assessment Area Six Bonds.

If any proceeding taken by the Trustee on account of any Event of Default with respect to the Assessment Area Six Bonds is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders of the Assessment Area Six Bonds shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

Subject to the provisions of the Indenture, the Holders of a majority in aggregate principal amount of the Outstanding Assessment Area Six Series then subject to remedial proceedings under

the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary sources of payment for the Assessment Area Six Bonds are the Assessment Area Six Special Assessments imposed on lands in Assessment Area Six specially benefited by the Assessment Area Six Project, pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY" attached hereto.

The determination, order, levy, and collection of Assessment Area Six Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Polk County Tax Collector (the "Tax Collector") or the Polk County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Assessment Area Six Special Assessments during any year. Such delays in the collection of Assessment Area Six Special Assessments, or complete inability to collect the Assessment Area Six Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Assessment Area Six Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Assessment Area Six Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Assessment Area Six Bonds.

For the Assessment Area Six Special Assessments to be valid, the Assessment Area Six Special Assessments must meet two requirements: (1) the benefit from the Assessment Area Six Project to the lands subject to the Assessment Area Six Special Assessments must exceed or equal the amount of the Assessment Area Six Special Assessments, and (2) the Assessment Area Six Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The Certificate of the Methodology Consultant will certify that these requirements have been met with respect to the Assessment Area Six Special Assessments.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Assessment Area Six Special Assessments through a variety of methods. See "BONDOWNERS' RISKS." Initially, with respect to any assessable lands which have not yet been platted, or when the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee, acting at the direction of the Majority Holders directs the District otherwise, the District will directly issue annual bills to landowners requiring payment of the Assessment Area Six Special Assessments for lands that have not yet been platted, and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY" hereto. As lands within Assessment Area Six are platted and sold, the Assessment Area Six Special Assessments will be added to the Polk County tax roll and collected pursuant to the Uniform

Method (as described below). The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, in certain circumstances the District shall directly levy, collect and enforce the Assessment Area Six Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Assessment Area Six Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Assessment Area Six Special Assessments and the ability to foreclose the lien of such Assessment Area Six Special Assessments upon the failure to pay such Assessment Area Six Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Assessment Area Six Special Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for platted lands (as described above), the District may alternatively elect to collect the Assessment Area Six Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Assessment Area Six Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Assessment Area Six Special Assessments will be collected together with County, City, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Assessment Area Six Special Assessments – are to be billed, and landowners in the District are

required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Assessment Area Six Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Assessment Area Six Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Assessment Area Six Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Assessment Area Six Bonds.

Under the Uniform Method, if the Assessment Area Six Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Assessment Area Six Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Assessment Area Six Special Assessments, (2) that future landowners and taxpayers in the District will pay such Assessment Area Six Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Assessment Area Six Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Assessment Area Six Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Assessment Area Six Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Assessment Area Six Special Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a bankruptcy, has existed of record, the tax certificate is null and void. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts

included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property, including the Assessment Area Six Special Assessments, are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Assessment Area Six Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Assessment Area Six Special Assessments, which is the primary source of payment of the Assessment Area Six Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are

described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Assessment Area Six Bonds offered hereby and are set forth below. Prospective investors in the Assessment Area Six Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Assessment Area Six Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Assessment Area Six Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Assessment Area Six Bonds.

Concentration of Land Ownership

As of the date hereof, the Assessment Area Six Landowner owns all of the assessable lands within Assessment Area Six, which are the lands that will be subject to the Assessment Area Six Special Assessments securing the Assessment Area Six Bonds. Payment of the Assessment Area Six Special Assessments is primarily dependent upon their timely payment by the Assessment Area Six Landowner and the other future landowners in Assessment Area Six. Non-payment of the Assessment Area Six Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Assessment Area Six Bonds. See "THE ASSESSMENT AREA SIX LANDOWNER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA SIX BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Assessment Area Six Landowner or any other owner of benefited property, delays could occur in the payment of debt service on the Assessment Area Six Bonds, as such bankruptcy could negatively impact the ability of: (i) the Assessment Area Six Landowner and any other landowner to pay the Assessment Area Six Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Assessment Area Six Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Assessment Area Six Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Assessment Area Six Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Assessment Area Six Bonds, including, without limitation, enforcement of the obligation to pay Assessment Area Six Special Assessments and the ability of the District to foreclose the lien of the Assessment Area Six Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Assessment Area Six Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Assessment Area Six Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an Insolvent Taxpayer (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA SIX BONDS – Master Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Assessment Area Six Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Assessment Area Six Bonds is the timely collection of the Assessment Area Six Special Assessments. The Assessment Area Six Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Assessment Area Six Landowner or subsequent landowners will be able to pay the Assessment Area Six Special Assessments or that they will pay such Assessment Area Six Special Assessments even though financially able to do so. Neither the Assessment Area Six Landowner nor any other subsequent landowners have any personal obligation to pay the Assessment Area Six Special Assessments. Neither the Assessment Area Six Landowner nor any subsequent landowners are guarantors of payment of any Assessment Area Six Special Assessments, and the recourse for the failure of the Assessment Area Six Landowner or any subsequent landowner to pay the Assessment Area Six Special Assessments is limited to the collection proceedings against the land subject to such unpaid Assessment Area Six Special Assessments, as described herein. Therefore the likelihood of collection of the Assessment Area Six Special Assessments may ultimately depend on the market value of the land subject to the Assessment Area Six Special Assessments. While the ability of the Assessment Area Six Landowner or subsequent landowners to pay the Assessment Area Six Special Assessments is a relevant factor, the willingness of the Assessment Area Six Landowner or subsequent landowners to pay the Assessment Area Six Special Assessments, which may also be affected by the value of the land subject to the Assessment Area Six Special Assessments, is also an important factor in the collection of Assessment Area Six Special Assessments. The failure of the Assessment Area Six Landowner or subsequent landowners to pay the Assessment Area Six Special Assessments could render the District unable to collect delinquent Assessment Area Six Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Assessment Area Six Bonds.

Regulatory and Environmental Risks

The development of the District Lands, including Assessment Area Six, is subject to comprehensive federal, state and local regulations and future changes to such regulations.

Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area Six and the likelihood of timely payment of principal and interest on the Assessment Area Six Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Assessment Area Six Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within Assessment Area Six. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area Six.

The value of the lands subject to the Assessment Area Six Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Assessment Area Six Bonds. The Assessment Area Six Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area Six and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Assessment Area Six Landowner. Moreover, the Assessment Area Six Landowner has the right to modify or change plans for development of Assessment Area Six from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Assessment Area Six Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County, the City, or any other local special purpose or general purpose governmental entities. County, City, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Assessment Area Six Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Assessment Area Six Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Assessment Area Six Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Assessment Area Six Special Assessment, even though the landowner is not contesting the amount of the Assessment Area Six Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Assessment Area Six Bonds

The Assessment Area Six Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Assessment Area Six Bonds in the event an Owner thereof determines to solicit purchasers for the Assessment Area Six Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Assessment Area Six Bonds may be sold. Such price may be lower than that paid by the current Owners of the Assessment Area Six Bonds, depending on the progress of development of the lands within Assessment Area Six, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Assessment Area Six Special Assessments, may not adversely affect the timely payment of debt service on the Assessment Area Six Bonds because of the Assessment Area Six Reserve Account. The ability of the Assessment Area Six Reserve Account to fund

deficiencies caused by delinquencies in the Assessment Area Six Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Assessment Area Six Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Reserve Account to make up deficiencies. If the District has difficulty in collecting the Assessment Area Six Special Assessments, the Assessment Area Six Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Assessment Area Six Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Assessment Area Six Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Assessment Area Six Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Assessment Area Six Special Assessments in order to provide for the replenishment of the Assessment Area Six Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA SIX BONDS – Reserve Account" herein for more information about the Assessment Area Six Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Assessment Area Six Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Assessment Area Six Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Assessment Area Six Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the

Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Assessment Area Six Landowner will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Assessment Area Six Landowner does not ensure that such certification shall be determinative of, or may influence the outcome of

any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Assessment Area Six Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Assessment Area Six Bonds are advised that, if the IRS does audit the Assessment Area Six Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Assessment Area Six Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Assessment Area Six Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Assessment Area Six Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Assessment Area Six Bonds would adversely affect the availability of any secondary market for the Assessment Area Six Bonds. Should interest on the Assessment Area Six Bonds become includable in gross income for federal income tax purposes, not only will Owners of Assessment Area Six Bonds be required to pay income taxes on the interest received on such Assessment Area Six Bonds and related penalties, but because the interest rate on such Assessment Area Six Bonds will not be adequate to compensate Owners of the Assessment Area Six Bonds for the income taxes due on such interest, the value of the Assessment Area Six Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE ASSESSMENT AREA SIX BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE ASSESSMENT AREA SIX BONDS. PROSPECTIVE PURCHASERS OF THE ASSESSMENT AREA SIX BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE ASSESSMENT AREA SIX BONDS IN THE EVENT THAT THE INTEREST ON THE ASSESSMENT AREA SIX BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Assessment Area Six Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Assessment Area Six Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Assessment Area Six Bonds would need to ensure

that subsequent transfers of the Assessment Area Six Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Assessment Area Six Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Assessment Area Six Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Assessment Area Six Bonds. Prospective purchasers of the Assessment Area Six Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Assessment Area Six Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the Assessment Area Six Project will exceed the net proceeds from the Assessment Area Six Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area Six Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to

complete the Assessment Area Six Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA SIX BONDS – Additional Bonds" for more information.

Although the Assessment Area Six Landowner will agree to fund or cause to be funded the completion of the Assessment Area Six Project regardless of the insufficiency of proceeds from the Assessment Area Six Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Assessment Area Six Landowner will have sufficient resources to do so. Such obligation of the Assessment Area Six Landowner is an unsecured obligation, and the Assessment Area Six Landowner is a special-purpose entity whose assets consist primarily of its interests in the Development. See "THE ASSESSMENT AREA SIX LANDOWNER" herein for more information.

There are no assurances that the Assessment Area Six Project and any other remaining development work associated with the Assessment Area Six will be completed. Further, there is a possibility that, even if Assessment Area Six is developed, the Builders may not close on all or any of the lots therein, and such failure to close could negatively impact the construction and sale of homes in Assessment Area Six. The Builder Contracts may also be terminated by the Builders upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – The Builders and the Builder Contracts" herein for more information about the Builders and the Builder Contracts.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Assessment Area Six Landowner, the timely and successful completion of Assessment Area Six, the purchase of lots therein by the Builders and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "BONDOWNERS' RISKS – Economic Conditions and Changes in Development Plans" and " – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Assessment Area Six Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Assessment Area Six Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Assessment Area Six Special Assessments by the Assessment Area Six Landowner or subsequent owners of the property within Assessment Area Six. Any such redemptions of the Assessment Area Six Bonds would be at the principal amount of such Assessment Area Six Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Assessment Area Six Bonds may not realize their anticipated rate of return on the Assessment Area Six Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Assessment Area Six Bonds. See "DESCRIPTION OF THE ASSESSMENT AREA SIX BONDS – Redemption Provisions," " – Purchase of Assessment Area Six Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA SIX BONDS – Prepayment of Assessment Area Six Special Assessments" herein for more information.

Payment of Assessment Area Six Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Assessment Area Six Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General

The District is an independent local unit of special-purpose government of the State created in accordance with the Act by the Ordinance (described below). The District encompasses approximately 583.79 gross acres of land, located within the incorporated municipal boundaries of the City of Winter Haven, Florida, in Polk County. The District is located west of CR 653 and south of Eloise Loop Road. The District was established under Ordinance Nos. O-18-70, O-20-40, O-21-32, and O-22-68 duly enacted by the City on November 26, 2018, October 26, 2020, April 12, 2021, and November 28, 2022, respectively (the "Ordinance"). The District Lands are being developed as a residential community known as VillaMar (the "Development"). For more information, see "THE DEVELOPMENT" herein.

Governance

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within ninety (90) days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

The landowners in the District elect two Supervisors to four-year terms and three Supervisors to two-year terms at bi-annual elections. After the first election of the Board, the next election by landowners will be the first Tuesday in the applicable November. Thereafter, the elections will take place every two years on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under State law governing public officials for a Supervisor to be a stockholder, officer or employee of an owner of the land within the District.

The current members of the Board and the date of expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Warren "Rennie" Heath II *	Chair	November 2027
Brian Walsh	Vice Chair	November 2025
Milton Andrade	Assistant Secretary	November 2025
Eric Lavoie *	Assistant Secretary	November 2027
Lauren Schwenk *	Assistant Secretary	November 2025

* Affiliated with the Assessment Area Six Landowner or its affiliates.

A majority of the Supervisors constitutes a quorum for the purposes of conducting the business of the District and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of the majority of the Supervisors present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's "sunshine" or open meetings law.

Legal Powers and Authority

As a special district, the District has only those powers specifically delegated to it by the Act and the Ordinance, or necessarily implied from powers specifically delegated to it. The Act provides that the District has the power to issue general obligation, revenue and special assessment bonds in any combination to pay all or part of the cost of infrastructure improvements authorized under the Act. The Act further provides that the District has the power to levy and assess taxes on all taxable real and tangible personal property, and to levy Special Assessments on specially benefited lands, within its boundaries to pay the principal of and interest on bonds issued and to provide for any sinking or other funds established in connection with any such bond issues. The Act also authorizes the District to impose assessments to maintain assets of the District and to pay operating expenses of the District. The District may also impose user fees, rates and charges and may enter into agreements with property owner associations within and without the boundaries of the District in order to defray its administrative, maintenance and operating expenses.

Among other provisions, the Act gives the District the right (i) to hold, control, and acquire by donation, purchase, condemnation, or dispose of, any public easements, dedications to public use, platted reservations for public purposes, or any reservations for those purposes authorized by the Act and to make use of such easements, dedications, or reservations for any of the purposes authorized by the Act, (ii) to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for various basic infrastructures, including District roads equal to or exceeding the specifications of the County in which such district roads are located, facilities for indoor and outdoor recreational, cultural and educational uses, and any other project within or without the boundaries of the District when a local government has issued a development order approving or expressly requiring the

construction or funding of the project by the District, or when the project is the subject of an agreement between the District and a governmental entity and is consistent with the local government comprehensive plan of the local government within which the project is to be located, (iii) to borrow money and issue bonds of the District, and (iv) to exercise all other powers necessary, convenient, incidental, or proper in connection with any of the powers or duties of the District stated in the Act.

Also, pursuant to the Ordinance, the District has been granted special powers pursuant to Sections 190.012(2)(a) and (d) of the Act. Such special powers include the right to plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain systems and facilities for (i) parks and facilities for indoor and outdoor recreational and cultural uses, and (ii) security, including, but not limited to, guardhouses, fences and gates, electronic intrusion detection systems, and patrol cars.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances, and the Act does not empower the District to grant building permits; these functions are performed by the City and the County, as applicable, acting through their respective Commissions and departments of government.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Assessment Area Six Bonds.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board. Governmental Management Services – Central Florida, LLC, serves as District Manager. The District Manager's corporate office is located at 219 E. Livingston Street, Orlando, Florida 32801.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Kilinski | Van Wyk PLLC, Tallahassee, Florida, as District Counsel; Greenberg Traurig, P.A., Miami, Florida, as Bond Counsel. Governmental Management Services – Central Florida, LLC, also serves as Methodology Consultant for the Assessment Area Six Bonds.

CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA SIX PROJECT

General

The "VillaMar Community Development District Amended and Restated Master Engineer's Report for Capital Improvements" dated December 15, 2022, [as amended by the "Amendment to the Amended and Restated Engineer's Report for Capital Improvements"] dated [December 5], 2023 (collectively, the "Engineer's Report"), prepared by Wood & Associates Engineering, LLC (the "District Engineer"), sets forth certain infrastructure improvements to be constructed in the District, including without limitation offsite improvements, stormwater management, roadways, water, sewer and reclaimed water facilities, landscaping and parks and recreation improvements (collectively, the "Capital Improvement Plan" or "CIP").

The CIP is being implemented in phases, and multiple assessment areas have been created within the District. The District previously issued its Prior Bonds to fund portions of the CIP associated with prior assessment areas, as follows:

- Assessment Area One. The Assessment Area One Bonds were issued in 2019 and funded a portion of the CIP associated with the development of Assessment Area One within the District (the "Assessment Area One Project"). The Assessment Area One Project is complete, and Assessment Area One has been platted to contain 334 single-family residential lots.
- Assessment Area Two. The Assessment Area Two Bonds were issued in 2020 and funded a portion of the CIP associated with the development of Assessment Area Two within the District (the "Assessment Area Two Project"). The Assessment Area Two Project is complete, and Assessment Area Two has been platted to contain 281 single-family units.
- Assessment Area Three. The Assessment Area Three Bonds were issued in 2022 and funded a portion of the CIP associated with the development of Assessment Area Three within the District (the "Assessment Area Three Project"). The Assessment Area Three Project is complete, and Assessment Area Three has been platted to contain 140 single-family units.
- Assessment Area Four. The Assessment Area Four Bonds were also issued in 2022 and funded a portion of the CIP associated with the development of Assessment Area Four within the District (the "Assessment Area Four Project"). The Assessment Area Four Project is complete, and Assessment Area Four has been platted to contain 200 single-family units.
- Assessment Area Five. The Assessment Area Five Bonds were issued in 2023 and funded a portion of the CIP associated with the development Assessment Area Five (the Assessment Area Five Project"). The Assessment Area Five Project is [underway, with completion expected by _____].

See "THE DEVELOPMENT – Update on Prior Phases" herein for more information regarding the status of development within each of the prior Assessment Areas.

The Assessment Area Six Project

The "Assessment Area Six Project" consists of the portion of the CIP associated with the development of Assessment Area Six within the District. "Assessment Area Six," which corresponds to Development Phase 7, contains approximately [] acres and is planned for 393 single-family units. The Assessment Area Six Bonds are being issued to fund a portion of the Assessment Area Six Project.

According to the District Engineer, the costs associated with the Assessment Area Six Project are estimated at approximately \$[], as more particularly described below:

Infrastructure	Assessment Area Six Project (393 Lots)

Land development associated with Assessment Area Six is expected to commence in [December 2023] and is expected to be completed by [] 2024. As of [], 202[], the Assessment Area Six Landowner has spent approximately \$[] million on soft costs associated with Assessment Area Six. See "THE DEVELOPMENT – Development Plan and Status" herein.

The net proceeds of the Assessment Area Six Bonds in the approximate amount of \$6.25 million* will be used to construct or purchase a portion of the Assessment Area Six Project. The Assessment Area Six Landowner will enter into a completion agreement at closing on the Assessment Area Six Bonds whereby the Assessment Area Six Landowner will agree to complete those portions of the Assessment Area Six Project not funded with proceeds of the Assessment Area Six Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Upon completion, the water and sewer facilities in the Development will be owned and maintained by the City. The sidewalks, entry feature and signage, and the improvements constituting the stormwater management system will be owned and maintained by the District.

The District expects to issue additional series of bonds to finance additional portions of the CIP associated with the remaining District Lands in the future. Such bonds, if issued, will be secured by assessments levied on lands that are separate and distinct from the land securing the Assessment Area Six Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE

ASSESSMENT AREA SIX BONDS – Additional Obligations" for limitations on additional bonds contained in the Indenture.

The District Engineer has indicated that all engineering permits necessary to construct the Assessment Area Six Project as set forth in the Engineer's Report have been obtained or are expected to be obtained in the ordinary course of development. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development, including certain additional permits needed for development of District Lands. See "APPENDIX A: ENGINEER'S REPORT" for more information regarding the above improvements.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Amendment to the Amended and Restated Master Assessment Methodology (Phases 5, 6, 7A, 7B, and 8), dated [January 3, 2023], as supplemented by the Supplemental Assessment Methodology for Assessment Area Six, dated [_____, 2023] (collectively, the "Assessment Methodology"), which allocates the Assessment Area Six Special Assessments to the lands within Assessment Area Six, has been prepared by Governmental Management Services – Central Florida, LLC, Orlando, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX E. Once the final terms of the Assessment Area Six Bonds are determined, the Assessment Methodology will be supplemented to reflect such final terms. Once levied and imposed, the Assessment Area Six Special Assessments are a first lien on the assessed lands within Assessment Area Six until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Assessment Area Six Bonds are payable from and secured by a pledge of the Assessment Area Six Pledged Revenues, which consist primarily of the Assessment Area Six Special Assessments levied on the assessed lands within Assessment Area Six. Assessment Area Six, which corresponds to the Phase 7 of the Development, contains approximately [____] gross acres planned for 393 single-family homes. The District will initially impose the Assessment Area Six Special Assessments across all of the lands within Assessment Area Six on an equal per acre basis. As parcels are platted within Assessment Area Six, the debt will be transferred from gross acres to platted lots in accordance with the Assessment Methodology. The Assessment Area Six Special Assessments will be allocated to the 393 lots planned for Assessment Area Six. See "APPENDIX E: ASSESSMENT METHODOLOGY" for more information.

Assuming full platting of Assessment Area Six, the estimated Assessment Area Six Special Assessments levied and allocated to platted units to pay debt service on the Assessment Area Six Bonds and the estimated Assessment Area Six Bond par per unit are expected to be as follows:

Product Type	# of Units Planned	Net Annual Series 2023 Special Assessment*	Series 2023 Bonds Total Par Per Unit*
Single-Family	150	\$1,350	\$17,181
Single-Family	<u>243</u>	\$1,650	\$20,999
Total	393		

* Preliminary, subject to change. Annual assessments collected via the Uniform Method [will be subject to a gross up to account for estimated County collection costs/payment discounts, which may fluctuate. To achieve target debt service assessment levels, the Assessment Methodology recognizes landowner contributions.]

The District currently levies assessments to cover its operation and administrative costs at the rate of \$756.84 per single-family unit annually, but such amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. These taxes would be payable in addition to the Assessment Area Six Special Assessments and any other assessments levied by the District. In

addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School Board of Polk County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

THE DEVELOPMENT

General

The District encompasses approximately 583.79 acres located within the City of Winter Haven. The District Lands are being developed as a planned residential community under the name VillaMar (the "Development"). At buildout, the Development is planned to contain approximately [2,002] single-family homes and recreation and amenity areas.

The Development is generally located in southeast Winter Haven, just west of CR 653 and south of Eloise Loop Road. The Development is close to two major transportation arteries in the region, Cypress Gardens Boulevard and Lake Ruby Drive. The surrounding area is a densely populated infill area with a range of housing options, from entry-level to higher-end homes in the area of southern Winter Haven's interconnected chain of lakes. The immediate area has numerous retail establishments and businesses, most notably the regional headquarters of State Farm. Major employers in the area include State Farm, LEGOLAND, the Polk County Sheriff's Office and BayCare.

The Development is centrally located between Tampa and Orlando, between the Polk Parkway and U.S. Highway 27, with access to Interstate 4. Development residents will have access to Central Florida attractions such as Walt Disney World Resort and LEGOLAND Florida. Due to its proximity to Tampa and Orlando, the Development serves as a "bedroom community" to those markets, offering price points substantially below that of similarly sized homes in those markets. Set forth below is a map showing the general location of the Development.

[Remainder of page intentionally left blank.]

The Development is being developed in phases. In 2019, the District issued its Assessment Area One Bonds to fund a portion of the CIP associated with the development of Assessment Area One of the District Lands (the "Assessment Area One Project"). The Assessment Area One Project is complete, and Assessment Area One has been platted to contain 334 single-family residential lots.

In 2020, the District issued its Assessment Area Two Bonds to fund a portion of the CIP associated with the development of Assessment Area Two of the District Lands (the "Assessment Area Two Project"). The Assessment Area Two Project is complete, and Assessment Area Two has been platted to contain 281 single-family units.

In 2022, the District issued its Assessment Area Three Bonds and its Assessment Area Four Bonds to fund a portion of the CIP associated with the development of Assessment Area Three of the District Lands (the "Assessment Area Three Project") and the development of Assessment Area Four of the District Lands (the "Assessment Area Four Project"), respectively. The Assessment Area Three Project is complete, and Assessment Area Three has been platted to contain 140 single-family units. The Assessment Area Four Project is complete, and Assessment Area Four has been platted to contain 200 single-family units.

In 2023, the District issued its Assessment Area Five Bonds to fund a portion of the CIP associated with the development Assessment Area Five (the "Assessment Area Five Project"). The Assessment Area Five Project is [underway, with completion expected by _____]. See "– Update on Prior Assessment Areas" herein for more information on the development status of each of the prior Assessment Areas.

The Assessment Area Six Bonds are being issued to finance a portion of the Assessment Area Six Project. Assessment Area Six, which corresponds to development Phase 7, contains approximately [] acres of land and is planned to contain 393 single-family lots. The Assessment Area Six Bonds will be secured by the Assessment Area Six Special Assessments, which will initially be levied on the [] acres within Assessment Area Six. As lots are platted, the Assessment Area Six Special Assessments will be assigned to the 393 single-family lots planned therein on a first-platted, first-assigned basis, as set forth in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

[VMAR DEV, LLC], a Florida limited liability company (the "Assessment Area Six Landowner") is the landowner and developer for Assessment Area Six. See "THE ASSESSMENT AREA SIX LANDOWNER" herein for more information.

The Assessment Area Six Landowner has entered into builder contracts for the sale of all 393 lots planned within Assessment Area Six as follows: (i) Meritage (as defined herein) for the sale of 150 developed lots to be delivered upon development completion, (ii) D.R. Horton (as defined herein) for the sale 143 developed lots to be delivered upon development completion, and (iii) Casa Fresca (as defined herein) for the sale of 100 developed lots to be delivered upon development completion (collectively, the "Builder Contracts"). See " – The Builders and the Builder Contracts" herein for more information.

Home prices in Assessment Area Six are expected to start from approximately [\$270,000–\$300,000] with homes expected to range in size from approximately [1,300 square feet to 3,115] square feet. See " – Residential Product Offerings" herein.

Update on Prior Phases

The District previously issued its Assessment Area One Bonds in the original aggregate principal amount of \$7,180,000 on June 25, 2019, to finance a portion of the costs associated with the development of Assessment Area One. Education

The public schools for children residing in the Development are expected to be Chain of Lakes Elementary School, Denison Middle School and Lake Region High School, which are located approximately __ miles, __ miles, and __ miles from the Development, respectively, and which were rated C, C and D, respectively, by the Florida Department of Education in [2022]. The Polk County School Board may change school boundaries from time to time and there is no

requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Development Approvals

The land within the Development is zoned by the City as Planned Development (PD). The Assessment Area Six Landowner has received site plan approval from the City for the 393 lots planned within Assessment Area Six. [The Assessment Area Six Landowner has also received environmental resource permits from the Southwest Florida Water Management District ("SWFWMD") for Assessment Area Six.]

The District Engineer has certified that all permits and approvals for Assessment Area Six have been received by jurisdictional agencies to allow for the use contemplated herein or are expected to be received in the ordinary course. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein and "APPENDIX A: ENGINEER'S REPORT" hereto.

Environmental

A Phase I Environmental Site Assessment was performed on certain lands within the Development, including Assessment Area Six, in February 2022 (the "ESA"). The ESA noted that the subject lands had historically been and portions still were being used as a citrus grove, which use is a REC, and noted that [further soil testing may be recommended prior to development]. The ESA further noted the presence of a groundwater well and recommended the capping and closure prior to development.

The Assessment Area Six Landowner expect that any soil contamination that may have resulted from such agricultural uses will be remediated during the development process. Potable water for the Development will be provided by the City. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks."

Utilities

The City of Winter Haven Public Utilities will provide water and sewer service to the Development. TECO Energy will provide electrical service to the Development. See "APPENDIX A: ENGINEER'S REPORT" attached hereto for more information regarding the ownership and maintenance of utilities within the Development.

Taxes, Fees and Assessments

The Assessment Area Six Bonds are payable from and secured by a pledge of the Assessment Area Six Pledged Revenues, which consist primarily of revenues received by the District from the Assessment Area Six Special Assessments levied on the assessed lands within Assessment Area Six. The District will initially impose the Assessment Area Six Special Assessments across all of the lands within Assessment Area Six on an equal per acre basis. As parcels are platted within Assessment Area Six, the debt will be transferred from gross acres to platted lots in accordance with the Assessment Methodology. In the event parcels are sold to third parties prior to platting, Assessment Area Six Special Assessments will be assigned to such parcels

in accordance with their respective entitlements. See "APPENDIX E: ASSESSMENT METHODOLOGY" for more information.

Assuming full platting of Assessment Area Six, the estimated Assessment Area Six Special Assessments levied and allocated to platted units to pay debt service on the Assessment Area Six Bonds and the estimated Assessment Area Six Bond par per unit are expected to be as follows:

Product Type	# of Units Planned	Net Annual Series 2023 Special Assessment*	Series 2023 Bonds Total Par Per Unit*
Single-Family	150	\$1,350	\$17,181
Single-Family	<u>243</u>	\$1,650	\$20,999
Total	393		

* Preliminary, subject to change. Annual assessments collected via the Uniform Method [will be subject to a gross up to account for estimated County collection costs/payment discounts, which may fluctuate. To achieve target debt service assessment levels, the Assessment Methodology recognizes landowner contributions.]

The District currently levies assessments to cover its operation and maintenance costs at the rate of \$756.84 per single-family unit annually, but such amount is subject to change. In addition, residents will be required to pay homeowners' association fees which are currently estimated to be [\$200] per residential lot annually, which amount is subject to change.

The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the Development in 2023 was approximately 19.2566 mills. These taxes would be payable in addition to the Assessment Area Six Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School Board of Polk County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Amenities

The Development will contain two approximately 2.5-acre recreation areas, each containing a pool, pavilion with restrooms, tot lot, dog park, walking trails and all-purpose play field. Construction of the first amenity area has been completed at a cost of approximately \$1.1 million. The second amenity area will be completed in a future phase of development.

Competition

The Development is located in southeastern Winter Haven and is expected to compete with projects in the Winter Haven area, including [Chestnut Creek, Eagle Landing, Inman Grove, and Lake Lucerne. The Development is also expected to compete with projects in the County market generally, which include Cascades, Citrus Landing, Citrus Pointe, Citrus Reserve, Forest Lake, Hammock Reserve Horse Creek at Crosswinds, Scenic Terrace, and Tradewinds]. The foregoing

does not purport to summarize all of the existing or planned communities in the area of the Development.

Assessment Area Six Landowner Agreements

The Assessment Area Six Landowner will enter into a completion agreement that will obligate the Assessment Area Six Landowner to complete any portions of the Assessment Area Six Project not funded with proceeds of the Assessment Area Six Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

In addition, the Assessment Area Six Landowner will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Assessment Area Six Landowner will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Assessment Area Six Landowner, development rights relating to the Assessment Area Six Project. That said, the Assessment Area Six Landowner has previously granted similar rights ("Prior Collateral Assignments") in connection with the issuance of the District's Prior Bonds, and such rights under such Prior Collateral Assignments are superior to and may take priority over the rights granted under the Collateral Assignment. In addition, any mortgagees or Builders may have certain development rights and other rights assigned to it under the terms of their mortgage or Builder Contract relating to the Development, which may be superior to such rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Assessment Area Six Special Assessments as a result of the Assessment Area Six Landowner's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, if any, will not have all of the permits and entitlements necessary to complete the Assessment Area Six Project or the development of Assessment Area Six.

Finally, the Assessment Area Six Landowner will also enter into a True-Up Agreement in connection with their respective obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area Six increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Assessment Area Six Landowner are unsecured obligations. The Assessment Area Six Landowner is a special-purpose entity whose assets consist primarily of its interest in the District Lands. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE ASSESSMENT AREA SIX LANDOWNER" herein for more information regarding the Assessment Area Six Landowner.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Assessment Area Six Bonds in order that the interest on the Assessment Area Six Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Assessment Area Six Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Assessment Area Six Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Assessment Area Six Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Assessment Area Six Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Assessment Area Six Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Assessment Area Six Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Assessment Area Six Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Assessment Area Six Bonds. Prospective purchasers of the Assessment Area Six Bonds should consult their own tax advisors as to the status of interest on the Assessment Area Six Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Assessment Area Six Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Assessment Area Six Landowner, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Assessment Area Six Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Assessment Area Six Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Assessment Area Six Bonds, or the ownership or disposition of the Assessment Area Six Bonds. Prospective purchasers of Assessment Area Six Bonds should be aware that the ownership of Assessment Area Six Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Assessment Area Six Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Assessment Area Six Bonds, (iii) the inclusion of the interest on the Assessment Area Six Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Assessment Area Six Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Assessment Area Six Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Assessment Area Six Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Assessment Area Six Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Assessment Area Six Bonds. Prospective purchasers of the Assessment Area Six Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Assessment Area Six Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Assessment Area Six Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Assessment Area Six Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Assessment Area Six Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Assessment Area Six Bonds, or adversely affect the market price or marketability of the Assessment Area Six Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest

thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Assessment Area Six Bonds. Prospective purchasers of the Assessment Area Six Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

On August 16, 2022, President Biden signed the Inflation Reduction Act of 2022 (H.R. 5376) into law. For tax years beginning after 2022, this legislation will impose a minimum tax of 15 percent on the adjusted financial statement income of applicable corporations as defined in Section 59(k) of the Code (which is primarily designed to impose a minimum tax on certain large corporations). For this purpose, adjusted financial statement income is not reduced for interest earned on tax-exempt obligations. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential consequences of owning the Assessment Area Six Bonds.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Assessment Area Six Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Assessment Area Six Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Assessment Area Six Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Assessment Area Six Bonds and proceeds from the sale of Assessment Area Six Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Assessment Area Six Bonds. This withholding generally applies if the owner of Assessment Area Six Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Assessment Area Six Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Assessment Area Six Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the Assessment Area Six Project funded by the Assessment Area Six Bonds, subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Assessment Area Six Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Assessment Area Six Bonds. Investment in the Assessment Area Six Bonds poses certain economic risks. No dealer, broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Assessment Area Six Bonds upon an event of default under the respective Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Assessment Area Six Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Assessment Area Six Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

FINANCIAL INFORMATION

This District will covenant in the Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX D hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX D, commencing with the audit for the District fiscal year ended September 30, 2023. Attached hereto as APPENDIX F is a copy of the District's audited financial statements for the District's fiscal year ended September 30, 2022, as well as the District's unaudited monthly financial statements for the period ended [September 30, 2023]. Such financial statements, including the auditor's report included within the audited financial statements, have been included in this Limited Offering Memorandum as public documents and consent from the auditor was not requested. Further, the auditors have not performed any services related to, and therefore are not associated with, the

preparation of this Limited Offering Memorandum. The Assessment Area Six Bonds are not general obligation bonds of the District and are payable solely from the Assessment Area Six Pledged Revenues.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Assessment Area Six Bonds, or in any way contesting or affecting (i) the validity of the Assessment Area Six Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Assessment Area Six Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Assessment Area Six Landowner

The Assessment Area Six Landowner has represented to the District that there is no litigation of any nature now pending or, to the knowledge of such entity, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of such entity to complete the development of the lands within Assessment Area Six, as described herein, materially and adversely affect the ability of such entity to pay the Assessment Area Six Special Assessments imposed against the land within Assessment Area Six owned by such entity or materially and adversely affect the ability of such entity to perform its various obligations described in this Limited Offering Memorandum.

NO RATING

No application for a rating of the Assessment Area Six Bonds has been made to any rating agency, nor is there any reason to believe that the District would have been successful in obtaining an investment grade rating for the Assessment Area Six Bonds had application been made.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private

business). The District is not and has never been in default on any bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District and the Assessment Area Six Landowner will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX D, for the benefit of the Assessment Area Six Bondholders (including owners of beneficial interests in such Assessment Area Six Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in " APPENDIX D: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Assessment Area Six Landowner to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Assessment Area Six Bondholders (including owners of beneficial interests in such Assessment Area Six Bonds) to bring an action for specific performance.

The District has previously entered into a continuing disclosure undertaking pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to its Assessment Area One Bonds, Assessment Area Two Bonds, Assessment Area Three Bonds and Assessment Area Four Bonds. A review of filings made pursuant to such prior undertakings indicates that certain filings required to be made by the District were not timely filed and that notice of such late filings was not provided. The District will appoint Governmental Management Services – Central Florida, LLC (the "Dissemination Agent"), as the dissemination agent in the Disclosure Agreement and fully anticipates satisfying all future disclosure obligations required pursuant to its continuing disclosure.

The Assessment Area Six Landowner has previously entered into continuing disclosure undertakings pursuant to the Rule, with respect to certain of the District's prior Bonds. A review of filings made pursuant to such prior undertakings indicates that [FOR REVIEW: the Assessment Area Six Landowner has not materially failed to comply with the requirements thereunder within the last five years]. The Assessment Area Six Landowner anticipates satisfying all future disclosure obligations required pursuant to its continuing disclosure undertakings and the Rule.

UNDERWRITING

FMSbonds, Inc. (the "Underwriter"), has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Assessment Area Six Bonds from the District at a purchase price of \$ _____ (par amount of the Assessment Area Six Bonds, less [an original issue discount of \$ _____ and] an Underwriter's discount of \$ _____). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Assessment Area Six Bonds if any Assessment Area Six Bonds are purchased.

The Assessment Area Six Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the Consulting Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Assessment Area Six Bonds. Except for the payment of certain fees to District Counsel, the Consulting Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Assessment Area Six Bonds.

Wood & Associates Engineering, LLC, as District Engineer, has prepared the Engineer's Report included herein as APPENDIX A, which report should be read in its entirety. Governmental Management Services – Central Florida, LLC, as the District Manager, has prepared the Assessment Methodology included herein as APPENDIX E, which report should be read in its entirety. As a condition to closing on the Assessment Area Six Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

VALIDATION

Bonds issued pursuant to the terms of the Master Indenture have been validated by judgments of the Circuit Court of the Tenth Judicial Circuit Court of Florida in and for Polk County, Florida, issued on February 14, 2019, December 6, 2021, and April 10, 2023. The periods of time during which appeals can be taken from such judgments have expired without an appeal having been taken.

Certain legal matters will be passed upon for the Underwriter by its counsel, GrayRobinson, P.A. Tampa, Florida. Certain legal matters will be passed upon for the District by its counsel, Kilinski | Van Wyk PLLC, Tallahassee, Florida. The form of opinion of Bond Counsel attached hereto as APPENDIX C is based on existing law, which is subject to change, and is further based on factual representations made to Bond Counsel as of the date hereof. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result and is not binding on the Internal Revenue

Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

MISCELLANEOUS

Any statements made in this Limited Offering Memorandum involving matters of opinion or estimates, whether or not expressly so stated, are set forth as such and not as representations of fact, and no representations are made that any of the estimates will be realized.

The references herein to the Assessment Area Six Bonds and other documents referred to herein are brief summaries of certain provisions thereof. Such summaries do not purport to be complete and reference is made to such documents for full and complete statements of such provisions.

This Limited Offering Memorandum is submitted in connection with the limited offering of the Assessment Area Six Bonds and may not be reproduced or used, as a whole or in part, for any other purpose. This Limited Offering Memorandum is not to be construed as a contract with the purchaser or the Beneficial Owners of any of the Assessment Area Six Bonds.

The provisions of this Disclosure Agreement are supplemental and in addition to the provisions of the Indenture with respect to reports, filings and notifications provided for therein, and do not in any way relieve the Issuer, the Trustee or any other person of any covenant, agreement or obligation under the Indenture (or remove any of the benefits thereof) nor shall anything herein prohibit the Issuer, the Trustee or any other person from making any reports, filings or notifications required by the Indenture or any applicable law.

AGREEMENT BETWEEN THE VILLAMAR COMMUNITY DEVELOPMENT DISTRICT, AND VMAR DEV, LLC, REGARDING TRUE-UP AS TO ASSESSMENT AREA SIX ASSESSMENTS

THIS TRUE-UP AGREEMENT (the “Agreement”) is made and entered into this ___ day of _____ 2024, by and between:

VILLAMAR COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in the City of Winter Haven, Polk County, Florida, with a mailing address of 219 East Livingston Street, Orlando, Florida 32801 (the “District”), and

VMAR DEV, LLC, a Florida limited liability company, owner of certain lands within the District identified as development Phase 7A and Phase 7B, with a mailing address of 346 East Central Avenue, Winter Haven, Florida 33880, and its successors and assigns (the “Landowner” and together with the District, the “Parties,” and each separately a “Party”).

RECITALS

WHEREAS, the District was established by an ordinance adopted by the City Commission of the City of Winter Haven, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “Act”) and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the District, pursuant to Chapter 190, *Florida Statutes*, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District’s activities and services; and

WHEREAS, Landowner is the owner of all of the lands within the District known as development Phase 7A and Phase 7B, which lands are described in **Exhibit A** (“Assessment Area Six”); and

WHEREAS, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services, as detailed in the *Amended and Restated Master Engineer’s Report for Capital Improvements*, dated December 15, 2022, as further amended by the *Amendment to the Amended and Restated Engineer’s Report for Capital Improvements*, dated May 2, 2023, and as supplemented by the *Supplemental Engineer’s Report for Assessment Area Six*, dated December

5, 2023 (together, the “Engineer’s Report”) for the improvements associated with the development phases described as development Phase 7A and Phase 7B (the “Assessment Area Six Project”), which identify the estimated costs of the improvements related to Assessment Area Six Project; and

WHEREAS, the District intends to finance a portion of the Assessment Area Six Project through the anticipated issuance of its VillaMar Community Development District Special Assessment Bonds, Series 2024 (Assessment Area Six Project) in the principal amount of [PAR VALUE] (the “Assessment Area Six Bonds”); and

WHEREAS, pursuant to Resolutions Nos. 2023-03, 2023-04, 2023-06, and 2024-___ (the “Assessment Resolutions”), the District imposed special assessments on Assessment Area Six (the “Assessment Area Six Assessments”) within the District to secure the repayment of the Assessment Area Six Bonds; and

WHEREAS, Landowner agrees that all developable lands within Assessment Area Six, including Landowner’s property, benefit from the timely design, construction, or acquisition of the Assessment Area Six Project; and

WHEREAS, Landowner agrees that the Assessment Area Six Assessments which were imposed on Assessment Area Six within the District, have been validly imposed and constitute valid, legal and binding liens upon Assessment Area Six, which Assessment Area Six Assessments remain unsatisfied; and

WHEREAS, to the extent permitted by law, Landowner waives any defect in notice or publication or in the proceedings to levy, impose and collect the Assessment Area Six Assessments on Assessment Area Six within the District; and

WHEREAS, the *Amendment to the Amended and Restated Master Assessment Methodology (Phases 5, 6, 7A, 7B, and 8)*, dated January 3, 2023, as supplemented by that *Supplemental Assessment Methodology for Assessment Area Six*, dated December 5, 2023 (collectively, the “Assessment Report”), provides that as the Assessment Area Six is platted or re-platted, the allocation of the amounts assessed to and constituting a lien upon Assessment Area Six within the District would be allocated and calculated based upon certain density assumptions relating to the number of each type of single-family units to be constructed on Assessment Area Six within the District, which assumptions were provided by Landowner; and

WHEREAS, Landowner intends that Assessment Area Six within the District will be platted, planned and developed based on then-existing market conditions, and the actual densities developed may be at some density less than the densities assumed in the District’s Assessment Report; and

WHEREAS, the District’s Assessment Report anticipates a mechanism by which Landowner shall, if required, make certain payments to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, the amount of such payments being determined generally by a calculation of the remaining unallocated debt prior to the recording of any plat or site plan for a parcel or tract, as described in the District’s

Assessment Report (which payments shall collectively be referenced as the “True-Up Payment”); and

WHEREAS, Landowner and the District desire to enter into an agreement to confirm Landowner’s intention and obligation, if required, to make the True-Up Payment related to the Assessment Area Six, subject to the terms and conditions contained herein.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

SECTION 1. RECITALS. The recitals stated above are true and correct and by this reference are incorporated into and form a material part of this Agreement.

SECTION 2. COVENANTS.

A. The provisions of this Agreement shall constitute a covenant running with Assessment Area Six lands, which lands are described herein in **Exhibit A**, and shall remain in full force and effect and be binding upon Landowner, its heirs, legal representatives, estates, successors, grantees, and assigns until released pursuant to the terms herein.

B. Landowner agrees that to the extent Landowner fails to timely pay all Assessment Area Six Assessments collected by mailed notice of the District, said unpaid Assessment Area Six Assessments (including True-Up Payments), may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year.

SECTION 3. SPECIAL ASSESSMENT REALLOCATION.

A. *Assumptions as to Assessment Area Six.* As of the date of the execution of this Agreement, Landowner has informed the District that Landowner intends to plat Assessment Area Six into a total of 393 single family lots, within Phase 7A and Phase 7B.

B. *Process for Reallocation of Assessments.* The Assessment Area Six Assessments will be reallocated among Assessment Area Six as Assessment Area Six is platted or re-platted (hereinafter referred to as “plat” or “platted”). In connection with such platting of Assessment Area Six of the District, the Assessment Area Six Assessments imposed on the lands being platted will be allocated based upon the precise number of lots within the area being platted. It is intended that all the Assessment Area Six will be assigned to the 393 lots platted in Assessment Area Six. In furtherance thereof, at such time as Assessment Area Six is to be platted, Landowner covenants that such plat or plats shall be presented to the District. The District shall allocate the Assessment Area Six Assessments to the number of lots being platted and the remaining lands in Assessment Area Six in accordance with the District’s Assessment Report and cause such reallocation to be recorded in the District’s Improvement Lien Book.

(i) It is an express condition of the liens established by the Assessment Resolutions that all plats containing any portion of Assessment Area Six Assessments

within the District owned by Landowner shall be presented to the District for review and allocation of the Assessment Area Six Assessments to the lots being platted and the remaining property within Assessment Area Six in accordance with the Assessment Report (“Reallocation”). Landowner covenants to comply with this requirement for the Reallocation. The District agrees that no further action by the Board of Supervisors shall be required. The District’s review of the plats shall be limited solely to the Reallocation of Assessment Area Six Assessments and enforcement of the District’s assessment liens. Nothing herein shall in any way operate to or be construed as providing any other plat and plan approval or disapproval powers to the District.

(ii) The purpose of the True-Up calculation is to ensure that the bond debt will be able to be assigned to at least 393 platted lots within Assessment Area Six of the District. Thus, at the time of platting of any portion of Assessment Area Six, or any re-platting thereof, there must be at least 393 platted lots in Assessment Area Six to assign the bond debt to. If not, subject to subsection (v) below, the District would require a True-Up Payment from Landowner or the person or entity seeking to file such plat in an amount sufficient to reduce the remaining bond debt to the actual number of lots platted in Assessment Area Six as in the par amount per platted lot as set forth in the Assessment Report.

(iii) The True-Up calculation shall be performed at the time Assessment Area Six is platted.

(iv) If at the time the True-Up calculation is performed, it is determined that fewer than 393 single-family lots are to be platted within Assessment Area Six, a True-Up Payment shall become due and payable by Landowner. Any such True-Up Payment determined to be due by Landowner shall be paid in full prior to approval of the plat. Such True-Up Payment shall be in addition to the regular Assessment Area Six Assessments installment payable for Assessment Area Six owned by Landowner. The District will take all necessary steps to ensure that True-Up Payments are made in a timely fashion to ensure its debt service obligations are met, and in all cases, Landowner agrees that such payments shall be made in order to ensure the District’s timely payment of the debt service obligations on the Assessment Area Six Bonds. The District shall record all True-Up Payments in its Improvement Lien book. If such True-Up Payment is made at least 45 days prior to an interest payment date on the Assessment Area Six Bonds, Landowner shall include accrued interest as part of the True-Up Payment to such interest payment date. If such True-Up Payment becomes due within 45 days of the next interest payment date, accrued interest shall be calculated to the next succeeding interest payment date.

(v) The foregoing is based on the District's understanding with Landowner that Landowner will plat or cause to be platted at least 393 residential lots within Assessment Area Six as identified in the Assessment Report and Engineer’s Report. However, the District agrees that nothing herein prohibits more or less than the anticipated residential dwelling units from being platted. In the event Landowner plats fewer than 393 lots within Assessment Area Six, the Landowner may either make a True-Up Payment or leave unassigned Assessment Area Six Assessments on un-platted lands within Assessment Area Six provided the maximum debt allocation per acre as set forth in the Assessment

Resolution is not exceeded. In no event shall the District collect Assessment Area Six Assessments pursuant to the Assessment Resolutions in excess of the total debt service related to the Assessment Area Six Project, including all costs of financing and interest. The District, however, may collect Assessment Area Six Assessments in excess of the annual debt service related to the Assessment Area Six Project, including all costs of financing and interest, which shall be applied to prepay the Assessment Area Six Bonds. If the strict application of the True-Up methodology to any Reallocation for any plat pursuant to this paragraph would result in Assessment Area Six Assessments collected in excess of the District's total debt service obligation for the Assessment Area Six Project, the District agrees to take appropriate action by resolution to equitably Reallocate the Assessment Area Six Assessments.

SECTION 4. ENFORCEMENT. This Agreement is intended to be an additional method of enforcement of Landowner's obligation to pay the Assessment Area Six Assessments and to abide by the requirements of the Reallocation of Assessment Area Six Assessments, including the making of the True-Up Payment, if any, as set forth in the Assessment Resolutions. A default by any Party under this Agreement shall entitle any other Party to all remedies available at law or in equity, but excluding special, consequential or punitive damages.

SECTION 5. RECOVERY OF COSTS AND FEES. In the event any Party is required to enforce this Agreement by court proceedings or otherwise, then the substantially prevailing Party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

SECTION 6. NOTICE. All notices, requests, consents and other communications hereunder ("Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, by overnight delivery service, or electronic or hand delivered to the Parties, as follows:

Saturdays, Sundays and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the Parties may deliver Notice on behalf of the Parties. Any Party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name, address or telecopy number to which Notices shall be sent by providing the same on five (5) days' written notice to the parties and addressees set forth herein.

Notwithstanding the foregoing, to the extent Florida law requires notice to enforce the collection of any assessments placed on Assessment Area Six by the District, then the provision of such notice shall be in lieu of any additional notice required by this Agreement.

SECTION 7. ASSIGNMENT.

A. Landowner may not assign its duties or obligations under this Agreement except in accordance with the terms of this Section 7(C) below. This Agreement shall constitute a covenant running with title to all or any portion of the Assessment Area Six, binding upon Landowner and its successors and assigns including, without limitation, any purchaser and its successors and assigns as to Assessment Area Six or portions thereof, and any transferee of any portion of Assessment Area Six, but shall not be binding upon transferees permitted by Sections 7(B)(i), (ii) or (iii) below.

B. No portion of Assessment Area Six may be transferred to any third-party without complying with the terms of Section 7(C) below, other than:

- (i)** Platted and fully-developed lots to homebuilders restricted from re-platting.
- (ii)** Platted and fully-developed lots to end users.
- (iii)** Portions of Assessment Area Six exempt from debt special assessments or to be dedicated to the City, County, the District, or other governmental agencies.

Any transfer of any portion of Assessment Area Six pursuant to subsections (i), (ii) or (iii) of this Section 7(B), shall constitute an automatic release of such portion of Assessment Area Six from the scope and effect of this Agreement.

C. Landowner shall not transfer any portion of Assessment Area Six to any third-party, except as permitted by Sections 7(B)(i), (ii) or (iii) above, without satisfying the following conditions (“Transfer Conditions”):

- (i) delivering a recorded copy of this Agreement to such third party; and
- (ii) satisfying any True-Up Payment that results from a True-Up analysis that will be performed by the District Manager prior and as a condition to such transfer.

Any transfer that is consummated pursuant to this Section 7(C) shall operate as a release of Landowner from its obligations under this Agreement as to such portion of Assessment Area Six only arising from and after the date of such transfer and satisfaction of all of the Transfer Conditions including payment of any True-Up Payment due pursuant to subsection 7(C)(ii) above, and the transferee shall be deemed to have assumed Landowner’s obligations in accordance herewith and shall be deemed the “Landowner” from and after such transfer for all purposes as to such portion of Assessment Area Six so transferred.

SECTION 8. AMENDMENT. This Agreement shall constitute the entire agreement between the Parties regarding the subject matter discussed herein and may be modified in writing only by the mutual agreement of all Parties. This Agreement may not be amended without the prior written consent of the Trustee on behalf and acting at the direction of the bondholders owning more than 50% of the aggregate principal amount of the applicable Assessment Area Six Bonds then outstanding.

SECTION 9. TERMINATION. This Agreement shall continue in effect until it is rescinded in writing by the mutual assent of each Party, provided, however, that this Agreement and the covenants contained herein may not be terminated or released prior to platting and development of all Assessment Area Six without the prior written consent of the Trustee on behalf and acting at the direction of bondholders owning more than 50% of the aggregate principal amount of the applicable Assessment Area Six Bonds then outstanding.

SECTION 10. NEGOTIATION AT ARM’S LENGTH. This Agreement has been negotiated fully between the Parties as an arm’s length transaction. The Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the Parties are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against either Party.

SECTION 11. THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and Landowner and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third-party not a formal party to this Agreement. Except as provided in the immediately succeeding sentence, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and Landowner any right, remedy or claim under or by reason of this Agreement or any provisions or conditions of this Agreement; and all of the provisions, representations, covenants and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and Landowner and their respective representatives, successors and assigns. Notwithstanding anything

herein to the contrary, the Trustee for the Assessment Area Six Bonds, on behalf of the owners of the Assessment Area Six Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall be entitled to enforce Landowner's obligations hereunder. The Trustee shall not be deemed to have assumed any obligations hereunder.

SECTION 12. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third-party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

SECTION 13. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted, and controlled according to the laws of the State of Florida. Each Party consents that the exclusive venue for any litigation arising out of or related to this Agreement shall be in a court of appropriate jurisdiction, in and for Polk County, Florida.

SECTION 14. PUBLIC RECORDS. Landowner understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and may require treatment as such in accordance with Florida law.

SECTION 15. EXECUTION IN COUNTERPARTS. This instrument may be executed in any number of counterparts, each of which, when executed and delivered, shall constitute an original, and such counterparts together shall constitute one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

SECTION 16. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

SECTION 17. EFFECTIVE DATE. This Agreement shall become effective after execution by the Parties hereto on the date reflected above.

COLLATERAL ASSIGNMENT AND ASSUMPTION OF DEVELOPMENT RIGHTS RELATING TO THE ASSESSMENT AREA SIX PROJECT

THIS COLLATERAL ASSIGNMENT AND ASSUMPTION OF DEVELOPMENT RIGHTS RELATING TO THE ASSESSMENT AREA SIX PROJECT (the “Assignment”) is made this ____ day of _____, 2024, by and between:

VILLAMAR COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in the City of Winter Haven, Polk County, Florida, with a mailing address of 219 East Livingston Street, Orlando, Florida 32801 (the “District”), and

VMAR DEV, LLC, a Florida limited liability company, owner of certain lands within the District, with a mailing address of 346 East Central Avenue, Winter Haven, Florida 33880, and its successors and assigns (the “Landowner” and together with the District, the “Parties,” and each separately, a “Party”).

RECITALS

WHEREAS, Landowner is the owner of a portion of the real property within the District as more particularly described in **Exhibit A**, attached hereto and incorporated herein (“Assessment Area Six”); and

WHEREAS, the District proposes to issue its [PAR AMOUNT] VillaMar Community Development District Special Assessment Bonds, Series 2024 (Assessment Area Six Project) (the “Assessment Area Six Bonds”), to finance certain improvements which will benefit all of Assessment Area Six; and

WHEREAS, among the security for the repayment of the Assessment Area Six Bonds are the debt special assessments levied against the Assessment Area Six (the “Assessment Area Six Assessments”); and

WHEREAS, the Parties intend that Assessment Area Six will be platted and fully developed into a total of 393 residential units in development phases identified as Phase 7A and Phase 7B (the “Lots”), and the Lots will be ultimately owned by homebuilders or end users,

unrelated to the Landowner or its affiliated entities (the “Development Completion”), as contemplated by the *Amendment to the Amended and Restated Master Assessment Methodology (Phases 5, 6, 7A, 7B, and 8)*, dated January 3, 2023, as supplemented by that *Supplemental Assessment Methodology for Assessment Area Six*, dated December 5, 2023 (together, the “Assessment Report”), all of such Lots and associated improvements being referred to herein as the “Development”; and

WHEREAS, the *Amended and Restated Master Engineer’s Report for Capital Improvements*, dated December 15, 2022 as further amended by the *Amendment to the Amended and Restated Engineer’s Report for Capital Improvements*, dated May 2, 2023, and as supplemented by the *Supplemental Engineer’s Report for Assessment Area Six*, dated December 5, 2023 (together, the “Engineer’s Report”), identifies the portion of the Development which is being partially financed with the proceeds of the Assessment Area Six Bonds as “Phase 7A” and “Phase 7B,” which area is also referred to as the “Assessment Area Six Project”; and

WHEREAS, in the event of default in the payment of the Assessment Area Six Assessments securing the Assessment Area Six Bonds, or in the payment of a True-Up Obligation (as defined in the *Agreement between the VillaMar Community Development District and Vmar Dev, LLC Regarding True-Up as to Assessment Area Six Assessments*, dated _____, 2024), or in the event of any other Event of Default (as defined herein), the District requires, in addition to the remedies afforded the District under the *Master Trust Indenture* dated as of June 1, 2019 (the “Master Indenture”), as supplemented by that *Sixth Supplemental Trust Indenture* dated as of _____, 2024 (the “Sixth Supplemental Indenture”; together with the Master Indenture, the “Indenture”), pursuant to which the Assessment Area Six Bonds are being issued, and the other Agreements being entered into by Landowner concurrent herewith with respect to the Assessment Area Six Bonds and the Assessment Area Six Assessments (the Indentures and Agreements being referred to collectively as (the “Bond Documents”) and such remedies being referred to collectively as (the “Remedial Rights”), certain remedies with respect to the Development Rights (defined below) in order to complete or enable a third party to complete development of the Assessment Area Six Project.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

2. COLLATERAL ASSIGNMENT.

(a) Subject to the terms and conditions of this Assignment, Landowner hereby collaterally assigns to the District, to the extent assignable, all of Landowner’s development rights, permits, entitlements and work product relating to development of Assessment Area Six Project, and Landowner’s rights as declarant of any property owner or homeowner association with respect to Assessment Area Six Project (collectively, the

“Development Rights”), as security for Landowner’s payment and performance of all of its obligations arising under the Bond Documents, including, without limitation, payment of the Assessment Area Six Assessments levied against Assessment Area Six Project that is owned by Landowner, its successors and assigns, and any True-Up Obligation. The Development Rights shall include, without limitation, the items listed in subsections (i) through (viii) below as they pertain to development of the Assessment Area Six Project, but shall specifically exclude any portion of the Development Rights which relate solely to (x) Lots which have been or are conveyed to homebuilders unaffiliated with the Landowner or homebuyers effective as of such conveyance, or (y) any portion of Assessment Area Six Project which has been transferred, dedicated and/or conveyed, or is in the future conveyed, to the City of Winter Haven, Florida (the “City”), Polk County (the “County”), the District, any utility provider, governmental or quasi-governmental entity, any homeowner’s or property owner’s association or other governing entity or association as may be required by applicable permits, approvals, plats or entitlements or regulations affecting the District, if any, in each case effective as of such transfer, conveyance and/or dedication, as applicable:

- (i) Zoning approvals, density approvals and entitlements, concurrency and capacity certificates, and development assignments;
- (ii) Engineering and construction plans and specifications for grading, roadways, site drainage, storm water drainage, signage, water distribution, waste water collection, recreational facilities and other improvements;
- (iii) Preliminary and final site plans and plats;
- (iv) Architectural plans and specifications for recreational buildings and other improvements to the developable property within the District;
- (v) Permits, approvals, resolutions, variances, licenses, and franchises granted by governmental authorities, or any of their respective agencies, for or affecting the Assessment Area Six Project or the construction of improvements within Assessment Area Six Project, or off-site to the extent such off-site improvements are necessary or required to complete the Assessment Area Six Project;
- (vi) Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the Assessment Area Six Project or the construction of improvements within Assessment Area Six Project;
- (vii) All prepaid impact fees and impact fee credits; and
- (viii) All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing.

(b) This Assignment is not intended to and shall not impair or interfere with the development of the Assessment Area Six Project, including, without limitation, Landowner's contracts with homebuilders, if any, and end users (collectively, "Sales Contracts"), and shall only be inchoate and shall become an effective and absolute assignment and assumption of the Development Rights, from time to time, only upon the District's exercise of its rights hereunder upon a failure of Landowner to pay the Assessment Area Six Assessments levied against the portion of Assessment Area Six owned by Landowner, from time to time, failure of Landowner to satisfy a True-Up Obligation, or any other Event of Default hereunder. The District shall not be deemed to have assumed any obligations associated with the Development Rights unless and until the District exercises its rights under this Assignment, and then only to the extent of such exercise.

(c) If this Assignment has not become absolute, it shall automatically terminate upon the earliest to occur of the following events: (i) payment in full of the principal and interest associated with the Assessment Area Six Bonds; (ii) Development Completion; (iii) transfer of any Development Rights to the City, the County, the State, the District, any utility provider, any other governmental or quasi-governmental entity, or any homeowners' or property owner's association but only to the extent of such transfer; or (iv) transfer of any portion of Assessment Area Six Project to an unaffiliated homebuilder or end user but only as to such portion transferred, from time to time.

3. WARRANTIES BY LANDOWNER. Landowner represents and warrants to the District that:

(a) Landowner is not prohibited under any agreement with any other person or under any judgment or decree from the execution, delivery and performance of this Assignment.

(b) No action has been brought or threatened which would in any way interfere with the right of Landowner to execute this Assignment and perform all of Landowner's obligations herein contained.

(c) Any transfer, conveyance or sale of the Assessment Area Six Project shall subject any and all affiliates or successors-in-interest of Landowner as to the Assessment Area Six Project or any portion thereof, to this Assignment to the extent of the portion of the Assessment Area Six Project so conveyed, except to the extent described in Section 2 above.

4. COVENANTS. Landowner covenants with the District that for so long as this Assignment shall remain in effect pursuant to the terms hereof:

(a) Landowner will use reasonable, good faith efforts to (i) fulfill, perform, and observe each and every material condition and covenant of Landowner relating to the

Development Rights, and (ii) give notice to District of any default with respect to any of the Development Rights.

(b) The Development Rights include all of Landowner's rights to modify the Development Rights, to terminate the Development Rights, and to waive or release the performance or observance of any obligation or condition of the Development Rights; provided, however, that this Assignment does not and shall not (i) pertain to lands outside of the District not relating or necessary to development of the Assessment Area Six Project, or (ii) limit Landowner's right, from time to time, to modify, waive or release the Development Rights, subject to Section 4(c) below and Landowner's obligations under the Bond Documents.

(c) Landowner agrees not to take any action that would decrease the development entitlements to a level below the amount necessary to support the then-outstanding Assessment Area Six Assessments or would materially impair or impede the ability to achieve Development Completion.

5. EVENTS OF DEFAULT. Any breach of Landowner's warranties contained in Section 3 hereof, any breach of covenants contained in Section 4 hereof which is not cured within sixty (60) days after receipt of written notice thereof, or any breach of Landowner under any other Bond Documents, which default is not cured within any applicable cure period, will constitute an "Event of Default", under this Assignment.

6. REMEDIES UPON DEFAULT. Upon an Event of Default, or the transfer of title to any portion of Assessment Area Six Project owned by Landowner to the District or its designee pursuant to a judgment of foreclosure entered by a court of competent jurisdiction or a deed in lieu of foreclosure to the District or its designee or the acquisition of title to such property through the sale of tax certificates, the District may, as the District's sole and exclusive remedies under this Assignment, take any or all of the following actions, at the District's option:

(a) Perform or cause to be performed any and all obligations of Landowner relating to the Development Rights and exercise or cause to be exercised any and all rights of Landowner therein as fully as Landowner could;

(b) Initiate, appear in, or defend any action arising out of or affecting the Development Rights; and,

(c) Further assign any and all of the Development Rights to a third-party acquiring title to the Assessment Area Six Project or any portion thereof from the District or at a District foreclosure sale.

7. AUTHORIZATION IN EVENT OF DEFAULT. In the Event of Default, Landowner does hereby authorize and shall direct any party to any agreements relating to the Development Rights to tender performance thereunder to the District upon written notice and request from the District. Any such performance in favor of the District shall constitute a full release and

discharge to the extent of such performance as fully as though made directly to Landowner. Notwithstanding the foregoing or anything to the contrary set forth in this Assignment, no exercise by the District or the District's rights under this Assignment shall operate to release Landowner from its obligations under this Assignment.

8. ATTORNEYS' FEES AND COSTS. In the event that any Party is required to enforce this Assignment by court proceedings or otherwise, then the Parties agree that the substantially prevailing Party shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

9. AUTHORIZATION. The execution of this Assignment has been duly authorized by the appropriate body or official of the Parties; the Parties have complied with all the requirements of law; and the Parties have full power and authority to comply with the terms and provisions of this instrument.

10. NOTICES. All notices, requests, consents and other communications under this Assignment (the "Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the Parties, at the addresses first set forth above. Except as otherwise provided in this Assignment, any Notice shall be deemed received only upon actual delivery at the address set forth above. Notices delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Assignment would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the District and counsel for the Landowner may deliver Notice on behalf of the District and the Landowner, respectively. Any Party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days' written notice to the Parties and addressees set forth herein.

11. ARM'S LENGTH TRANSACTION. This Assignment has been negotiated fully between the Parties as an arm's length transaction. Both Parties participated fully in the preparation of this Assignment and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Assignment, both Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Landowner.

12. THIRD-PARTY BENEFICIARIES. The Parties hereto agree that the trustee under the Indenture (the "Trustee"), on behalf of the bondholders, shall be a direct third-party beneficiary of the terms and conditions of this Assignment and entitled to enforce Landowner's obligations hereunder at the direction of the bondholders owning more than 50% of the aggregate principal amount of the Assessment Area Six Bonds then outstanding. The Trustee shall not be deemed by virtue of this Assignment to have assumed any obligations or duties.

13. AMENDMENT. This Assignment may be amended by an instrument in writing executed by all of the Parties hereto, but only with the written consent of the Trustee acting at the direction of bondholders owning more than 50% of the aggregate principal amount of the applicable Assessment Area Six Bonds then outstanding with respect to amendments having a material effect on the District's ability to pay debt service on the Assessment Area Six Bonds.

14. MISCELLANEOUS. Unless the context requires otherwise, whenever used herein, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders. The terms "person" and "party" shall include individuals, firms, associations, joint ventures, partnerships, estates, trusts, business trusts, syndicates, fiduciaries, corporations, and all other groups and combinations. Titles of paragraphs contained herein are inserted only as a matter of convenience and for reference and in no way define, limit, extend, or describe the scope of this Assignment or the intent of any provisions hereunder. This Assignment shall be construed under Florida law.

15. APPLICABLE LAW AND VENUE. This Assignment and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each Party consents that the exclusive venue for any litigation arising out of or related to this Assignment shall be in a court of appropriate jurisdiction, in and for Polk County, Florida.

16. PUBLIC RECORDS. The Landowner understands and agrees that all documents of any kind provided to the District in connection with this Assignment may be public records and treated as such in accordance with Florida law.

17. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Assignment shall not affect the validity or enforceability of the remaining portions of this Assignment, or any part of this Assignment not held to be invalid or unenforceable.

18. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Assignment shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in section 768.28, *Florida Statutes*, or other law, and nothing in this Assignment shall inure to the benefit of any third-party for the purpose of allowing any claim which would otherwise be barred by sovereign immunity or by other operation of law.

19. HEADINGS FOR CONVENIENCE ONLY. The descriptive headings in this Assignment are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Assignment.

20. COUNTERPARTS. This instrument may be executed in any number of counterparts, each of which when executed and delivered shall constitute an original, and such counterparts together shall constitute one and the same instrument. **AGREEMENT BY AND BETWEEN THE
VILLAMAR COMMUNITY DEVELOPMENT DISTRICT,
AND VMAR DEV, LLC, REGARDING THE
COMPLETION OF CERTAIN IMPROVEMENTS**

THIS AGREEMENT (“Agreement”) is made and entered into this ____ day of _____ 2024, by and between:

VILLAMAR COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in the City of Winter Haven, Polk County, Florida, with a mailing address of 219 East Livingston Street, Orlando, Florida 32801 (the “District”), and

VMAR DEV, LLC, a Florida limited liability company, a Landowner and the owner of certain lands within the District, with a mailing address of 346 East Central Avenue, Winter Haven, Florida 33880, and its successors and assigns (the “Landowner” and together with the District, the “Parties,” and separately, a “Party”).

RECITALS

WHEREAS, the District was established by an ordinance adopted by the City Commission of the City of Winter Haven, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “Act”) and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, operating and/or maintaining certain infrastructure, including stormwater management facilities, water and sewer utilities, roadways, irrigation, off-site improvements, landscape and hardscape, street lighting, parks and recreation, and other infrastructure within or without the boundaries of the District; and

WHEREAS, Landowner is the owner and developer of a portion of the lands within the District as described in **Exhibit A** (“Assessment Area Six”), which will be subject to the proposed issuance of the Assessment Area Six Bonds, defined herein; and

WHEREAS, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services as described in the *Amended and Restated Master Engineer’s Report for Capital Improvements*, dated December 15, 2022 (the “Improvements”), as further amended by the *Amendment to the Amended and Restated Engineer’s Report for Capital Improvements*, dated May 2, 2023, and as supplemented by the *Supplemental Engineer’s Report for Assessment Area Six*, dated December 5, 2023 (together, the “Engineer’s Report”), attached hereto as **Composite Exhibit B**, which sets forth the estimated costs of the Improvements for development Phase 7A and Phase 7B (the “Assessment Area Six Project”); and

WHEREAS, the District has imposed debt special assessments on the lands included within Assessment Area Six within the District (the “Assessment Area Six Assessments”), to secure financing for the construction of the Assessment Area Six Project, and has validated a total of \$77,615,000 in special assessment bonds to fund the planning, design, permitting, construction and/or acquisition of the District’s Improvements, including the Assessment Area Six Project; and

WHEREAS, the District intends to finance a portion of the Assessment Area Six Project through the anticipated issuance of its VillaMar Community Development District Special Assessment Bonds, Series 2024 (Assessment Area Six Project), in the principal amount of [PAR VALUE] (the “Assessment Area Six Bonds”); and

WHEREAS, Landowner has requested that the District limit the amount of Assessment Area Six Assessments imposed upon Assessment Area Six by allowing the Landowner to directly fund a portion of the Assessment Area Six Project; and

WHEREAS, Landowner has agreed to complete or cause funds to be provided to the District to complete the portion of the Assessment Area Six Project, as set forth in the Engineer’s Report, not funded by proceeds of the Assessment Area Six Bonds; and

WHEREAS, in consideration of the District limiting the amount of Assessment Area Six Assessments on the Assessment Area Six property, Landowner has requested that the District enter into this Agreement and to provide the terms and conditions under which the Assessment Area Six Project shall be completed; and

WHEREAS, in order to ensure that the Assessment Area Six Project is completed and funding is available in a timely manner to provide for its completion, Landowner and the District hereby agree that the District will be obligated to issue no more than [PAR VALUE] in Assessment Area Six Bonds to fund the Assessment Area Six Project, and Landowner will complete or will make provision for additional funds that may be needed in the future for the completion of the Assessment Area Six Project, over and above the amount of the Assessment Area Six Bonds including, but not limited to, all administrative, legal, warranty, engineering, permitting or other related soft costs.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

2. COMPLETION OF IMPROVEMENTS. Landowner and the District agree and acknowledge that the District’s proposed Assessment Area Six Bonds will provide only a portion of the funds necessary to complete the Assessment Area Six Project. Therefore, Landowner hereby agrees to complete the Assessment Area Six Project or cause such funds to be provided to the District in an amount sufficient to allow the District to complete those portions of the Assessment Area Six Project which may remain unfunded including, but not limited to, all

administrative, legal, warranty, engineering, permitting or other related soft costs (collectively, the “Remaining Improvements”), whether pursuant to existing contracts, including change orders thereto, or future contracts.

(a) Subject to Existing Contract. When all or any portion of the Remaining Improvements are subject to an existing District contract, the Landowner shall provide funds directly to the District in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto.

(b) Not Subject to Existing Contract. When any portion of the Remaining Improvements is not the subject of an existing District contract, the Landowner may choose to complete, cause to be completed, or provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed, those Remaining Improvements, subject to a formal determination by the District that the option selected by the Landowner will not materially and adversely impact the District.

Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness to provide funds for any portion of the Remaining Improvements. The Parties hereby acknowledge and agree that the District’s execution of this Agreement constitutes the manner and means by which any and all portions of Landowner’s portion of the Remaining Improvements are to be funded and completed. Notwithstanding the foregoing, in the event the Landowner, either jointly or individually, fails to timely provide funds or to complete the Remaining Improvements, the District may exercise its authority to issue additional bonds and certify for collection additional debt special assessments in an amount sufficient to complete the Remaining Improvements.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS.

(a) The District and Landowner agree and acknowledge that the exact location, size, configuration, and composition of the Assessment Area Six Project may change from that described in the Engineer’s Report depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Assessment Area Six Project shall be made by a written amendment to the Engineer’s Report, which shall include an estimate of the cost of the changes. Material changes to the Assessment Area Six Project shall require the prior written consent of the Trustee acting on behalf and at the direction of the bondholders owning more than 50% of an aggregate principal amount of the applicable Assessment Area Six Bonds then outstanding.

(b) The District and Landowner acknowledge and agree that the provision of funds under this Agreement or the completion of the Remaining Improvements will be considered a contribution in lieu of the imposition of debt special assessments upon the Assessment Area Six benefitted by the Assessment Area Six Project.

(c) Notwithstanding anything to the contrary contained in this Agreement, the payment or performance by Landowner of its obligations hereunder are expressly subject

to, dependent and conditioned upon (a) the issuance of [PAR VALUE] par amount of Assessment Area Six Bonds and use of the proceeds thereof to fund a portion of the Assessment Area Six Project, and (b) the scope, configuration, size and/or composition of the Assessment Area Six Project not materially changing without the consent of Landowner. Such consent is not necessary, and Landowner must meet the completion obligations, or cause them to be met, when the scope, configuration, size and/or composition of the Assessment Area Six Project is materially changed in response to a requirement imposed by a regulatory agency.

4. DEFAULT AND PROTECTION AGAINST THIRD-PARTY INTERFERENCE. A default by any Party under this Agreement shall entitle the others to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages and/or specific performance, but excluding special, consequential or punitive damages. Except as expressly otherwise provided in this Agreement, the District shall be solely responsible for enforcing its rights under this Agreement against any interfering third-party. Except as expressly otherwise provided in this Agreement, nothing contained in this Agreement shall limit or impair the District's right to protect its rights under this Agreement from interference by a third-party.

5. ENFORCEMENT OF AGREEMENT. In the event that any Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the substantially prevailing Party shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by all Parties hereto, but only with the written consent of the Trustee acting at the direction of the bondholders owning more than 50% of an aggregate principal amount of the Assessment Area Six Bonds then outstanding, with respect to amendments having a material effect on the District's ability to pay debt service on the Assessment Area Six Bonds.

7. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and Landowner, both the District and Landowner have complied with all the requirements of law, and both the District and Landowner have full power and authority to comply with the terms and provisions of this Agreement.

8. NOTICES. All notices, requests, consents and other communications under this Agreement ("Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the Parties, as follows:

Notwithstanding anything herein to the contrary, the Trustee for the Assessment Area Six Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall be entitled to enforce the obligations of Landowner hereunder. The Trustee shall not be deemed to have assumed any obligations hereunder.

No Party hereto may assign this Agreement or any monies to become due hereunder without the prior written approval of the other Parties and the Trustee acting on behalf and at the direction of the bondholders owning more than 50% of an aggregate principal amount of the applicable Assessment Area Six Bonds then outstanding.

12. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. **AGREEMENT BY AND BETWEEN THE VILLAMAR COMMUNITY
DEVELOPMENT DISTRICT AND VMAR DEV, LLC,
REGARDING THE ACQUISITION OF WORK PRODUCT,
IMPROVEMENTS, AND REAL PROPERTY**

THIS AGREEMENT (the “Agreement”) is made and entered into this ____ day of _____ 2024, by and between:

VILLAMAR COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in the City of Winter Haven, Polk County, Florida, with a mailing address of 219 East Livingston Street, Orlando, Florida 32801 (the “District”); and

VMAR DEV, LLC, a Florida limited liability company, the primary Landowner and the owner of certain lands within the District, with a mailing address of 346 East Central Avenue, Winter Haven, Florida 33880, and its successors and assigns (the “Landowner” and together with the District, the “Parties,” and each separately, a “Party”).

RECITALS

WHEREAS, the District was established for the purposes of planning, financing, constructing, acquiring, operating and/or maintaining certain public infrastructure, as authorized by Chapter 190, *Florida Statutes*; and

WHEREAS, the District has adopted an improvement plan for the planning, design, acquisition, construction, and installation of various infrastructure improvements, facilities, and services (the “Improvements”) within the District, and the anticipated cost thereof, as described in that certain *Amended and Restated Master Engineer’s Report for Capital Improvements*, dated December 15, 2022, as further amended by the *Amendment to the Amended and Restated Engineer’s Report for Capital Improvements*, dated May 2, 2023, and as supplemented by the *Supplemental Engineer’s Report for Assessment Area Six*, dated December 5, 2023 (together, the “Engineer’s Report”), attached hereto as **Composite Exhibit A** and incorporated herein by reference; and

WHEREAS, the Landowner is the owner and/or primary Developer of certain lands located within the boundaries of the District known as “Assessment Area Six” within which a portion of the District Improvements for development Phase 7A and Phase 7B will be located (the “Assessment Area Six Project”); and

WHEREAS, the District intends to finance all or a portion of the Improvements through the anticipated issuance of its VillaMar Community Development District Special Assessment Bonds, Series 2024 (Assessment Area Six Project) (the “Assessment Area Six Bonds”); and

WHEREAS, because the Assessment Area Six Bonds have not yet been issued, the District has not had sufficient monies on hand to allow the District to fund the cost of preparation of the necessary surveys, reports, drawings, plans, permits, specifications, and related documents which would allow the timely commencement and completion of construction of the Improvements (the “Work Product”); and

WHEREAS, the District acknowledges the Landowner’s need to have the Improvements constructed in an expeditious and timely manner in order to develop the Assessment Area Six Project; and

WHEREAS, the District agrees that it will not have sufficient monies to proceed with either the preparation of the Work Product or the commencement of construction of the Improvements described in **Composite Exhibit A** until such time as the District has closed on the sale of the Assessment Area Six Bonds; and

WHEREAS, in order to avoid a delay in the commencement of the construction of the Improvements, the Landowner has advanced, funded, commenced, and completed and/or will complete certain work to enable the District to expeditiously provide the Improvements; and

WHEREAS, the District desires to commence the acquisition of certain Work Product and the Improvements, and accept assignment of certain agreements regarding the same; and

WHEREAS, in conjunction with the acquisition of the Work Product and/or Improvements, the Landowner desires to convey to the District interests in real property sufficient to allow the District to own, operate, maintain, construct, or install the Improvements, if any such conveyances are appropriate, and such conveyances shall be in fee simple, perpetual easement, or other interest as may be in the best interests of the District (the “Real Property”); and

WHEREAS, the Landowner and the District desire to enter into this Agreement to set forth the process by which the District may acquire the Work Product, Improvements, and/or Real Property.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the District and the Landowner agree as follows:

SECTION 1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

SECTION 2. WORK PRODUCT. The District agrees to pay the lesser of actual cost incurred by the Landowner or fair market value, for preparation of the Work Product in accordance with the provisions of this Agreement. The Landowner shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred by the Landowner for the Work Product. The Parties agree to cooperate and use good faith and best efforts to undertake and complete the

acquisition process contemplated by this Agreement on such date as the Parties may jointly agree upon (the “Acquisition Date”). The Parties agree that separate or multiple Acquisition Dates may be established for any portion of the acquisitions contemplated by this Agreement. The District Engineer shall review all evidence of cost and shall certify to the District’s Board of Supervisors (the “Board”) the total actual amount of cost, which, in the District Engineer’s sole opinion, is reasonable for the Work Product. The District Engineer’s opinion as to cost shall be set forth in an Engineer’s Certificate which shall accompany the requisition for the funds from the trustee (the “Trustee”) for the Assessment Area Six Bonds. In the event that the Landowner disputes the District Engineer’s opinion as to cost, the District and the Landowner agree to use good faith efforts to resolve such dispute. If the Parties are unable to resolve any such dispute, the Parties agree to jointly select a third-party engineer whose decision as to any such dispute shall be binding upon the Parties. Such decision by a third-party engineer shall be set forth in an Engineer’s Affidavit which shall accompany the requisition for the funds from the Trustee. The Parties acknowledge that the Work Product is being acquired for use by the District in connection with the construction of the Improvements.

A. The Landowner agrees to convey to the District, and solely to the extent permitted by the terms of the Work Product, the Work Product upon payment of the sums determined to be acceptable by the District Engineer and approved by the District’s Board pursuant to and as set forth in this Agreement.

B. The Landowner agrees to release to the District all right, title, and interest which the Landowner may have in and to the above described Work Product, as well as all common law, statutory, and other reserved rights, including all copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised; provided, however, that the District agrees and acknowledges that the Landowner shall retain the right, title and interest to use the Work Product, and the District shall grant the Landowner a license to use the Work Product to the extent reasonably required by the Landowner in connection with the ownership, construction, development, and management of the Assessment Area Six Project or other lands owned by Landowner to which such Work Product pertains. To the extent determined necessary by the District, the Landowner shall use commercially reasonable efforts to obtain all releases from any professional providing services in connection with the Work Product to enable the District to use and rely upon the Work Product. Such releases may include, but are not limited to, any architectural, engineering, or other professional services.

C. Except as otherwise separately agreed by the Parties with respect to any particular acquisition of Work Product, and without intending to modify any of the other terms of this Agreement, any conveyance of Work Product shall be on an “AS-IS” basis, and without any representation or warranty from the Landowner to the District in respect thereto.

D. The Landowner agrees to make reasonable good faith efforts, but without imposing any requirement on Landowner to pay for additional warranty rights on behalf of the District, to provide or cause to be provided to the District, either by assignment or directly from such third parties as may be necessary and desirable to the mutual satisfaction of the Parties hereto, a warranty that the Work Product is fit for the purposes to which it will be put by the District, as contemplated by the Engineer's Report.

E. The District agrees to allow the Landowner access to and use of the Work Product without the payment of any fee by the Landowner. However, to the extent the Landowner's access to and use of the Work Product causes the District to incur any cost or expense, such as copying costs, the Landowner agrees to pay such cost or expense.

SECTION 3. IMPROVEMENTS. The Landowner has expended certain funds on behalf of the District relating to the Improvements. The District agrees to acquire or otherwise reimburse the Landowner for those portions of the Improvements which have been commenced or completed prior to the issuance of the Assessment Area Six Bonds. When a portion of the Improvements is ready for conveyance by the Landowner to the District, the Landowner shall notify the District in writing, describing the nature of the improvement, its general location, and its estimated cost. Landowner agrees to provide, at or prior to the Acquisition Date, the following: (i) documentation of actual costs paid; (ii) instruments of conveyance such as special warranty bills of sale or such other instruments as may be reasonably requested by the District; and (iii) any other releases, indemnifications, or documentation as may be reasonably requested by the District. Any real property interests necessary for the functioning of the Improvements to be acquired under this paragraph shall be reviewed and conveyed in accordance with the provisions of Section 5 herein. The District Engineer in consultation with District Counsel shall determine in writing whether the infrastructure to be conveyed is a part of the Improvements contemplated by the Engineer's Report, and if so, shall provide Landowner with a list of items necessary to complete the acquisition. Each such acquisition shall also be subject to the engineering review and certification process described in Section 2 above. The District Manager shall determine, in writing, whether the District has, based on the Landowner's estimate of cost, sufficient unencumbered funds to acquire the improvement.

A. All documentation of any acquisition (e.g., bills of sale, receipts, maintenance bonds, as-builts, evidence of costs, deeds or easements, etc.) shall be to the reasonable satisfaction of the District. If any item acquired is to be conveyed to a third-party governmental entity, then the Landowner agrees to cooperate and provide such certifications, warranties, representations or other items as may be required by that governmental entity, if any.

B. The District Engineer shall certify as to the actual cost of any improvement built or constructed by or at the direction of the Landowner, and the District shall pay no more than the actual cost incurred, or the fair market value of the improvement, whichever is less, as determined by the District Engineer.

C. The Landowner agrees to cooperate in the transfer of any permits to the District or another governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement.

D. Nothing herein shall require the District to accept any Work Product and/or Improvements unless the District Engineer, in his or her professional opinion, is able to certify that, in addition to any other requirements of law: (i) the Work Product and/or Improvements are as set forth in the Engineer's Report; (ii) the price for such Work Product and/or Improvements is equal to or less than each of (a) the cost actually paid to develop and/or install the Work Product and/or Improvements by the Landowner and (b) the reasonable fair market value of the Work Product and/or Improvements; (iii) as to Work Product, the Work Product is capable of being used for the purposes intended by the District, and, as to any Improvements, the Improvements were installed in accordance with their specifications, and are capable of performing the functions for which they were intended; and (iv) as to any Improvements, all known plans, permits and specifications necessary for the operation and maintenance of the Improvements are complete and on file with the District, and have been transferred, or are capable of being transferred, to the District for operations and maintenance responsibilities.

SECTION 4. ASSIGNMENT OF CONTRACTS. The District may accept the assignment of certain contracts. Such acceptance is predicated upon: (i) each contractor providing a bond in the form and manner required by Section 255.05, *Florida Statutes*, or the Landowner providing adequate alternative security in compliance with Section 255.05, *Florida Statutes*, if required; and (ii) receipt by the District of a release from each general contractor acknowledging each assignment and the validity thereof, acknowledging the furnishing of the bond or other security required by Section 255.05, *Florida Statutes*, if any, and waiving any and all claims against the District arising as a result of or connected with such assignment. Until such time as the Assessment Area Six Bonds are actually issued, the Landowner agrees to provide such funds as are needed by the District to make all payments for any such assigned contracts when and as needed by the District.

SECTION 5. CONVEYANCE OF REAL PROPERTY.

A. **Conveyance.** In the event that real property interests are to be conveyed by the Landowner and acquired by the District in connection with the acquisition of the Improvements, and as mutually agreed upon by the District and the Landowner, then in such event, the Landowner agrees that it will convey to the District at or prior to the Acquisition Date by a special warranty deed, or non-exclusive easement, as reasonably acceptable to the District together with a metes and bounds or other legal description, the Real Property upon which the Improvements are constructed or which are necessary for the operation and maintenance of, and access to the Improvements. The Parties agree that in no event shall the purchase price for the Real Property exceed the lesser of the actual cost to the Landowner or the value of an appraisal obtained by the District for this purpose. The Parties agree that the purchase price shall not include amounts attributable to the value of improvements on the Real Property and other improvements serving the Real Property that have been, or will

be, funded by the District. The District may determine in its reasonable discretion that fee title is not necessary and in such cases shall accept such other interest in the lands upon which the Improvements are constructed as the District deems reasonably acceptable. Such special warranty deed or other instrument shall be subject to a reservation by Landowner of its right and privilege to use the area conveyed to construct any Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of the development) not inconsistent with the District's use, occupation or enjoyment thereof. The Landowner shall pay the cost for recording fees and documentary stamps required, if any, for the conveyance of the lands upon which the Improvements are constructed. The Landowner shall be responsible for all taxes and assessments levied on the lands upon which the Improvements are constructed until such time as the Landowner conveys said lands to the District. At the time of conveyance, the District may require, at Landowner's expense, an owner's title insurance policy in a form satisfactory to the District. In the event the title search reveals exceptions to title which render title unmarketable or which, in the District's reasonable discretion, would materially interfere with the District's use of such lands, the District shall not be required to accept such conveyance of Real Property and/or any related Improvements or Work Product.

B. *Boundary or Other Adjustments.* Landowner and the District agree that reasonable future boundary adjustments may be made as deemed necessary and approved by both Parties in order to accurately describe lands conveyed to the District and lands which remain in Landowner's ownership; provided, however, that such future boundary adjustments shall not affect the ability of the Landowner to have the lots developed. The Parties agree that any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the Party requesting such adjustment shall pay any transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other costs.

SECTION 6. TAXES, ASSESSMENTS, AND COSTS.

A. *Taxes and Assessments on Property Being Acquired.* The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Landowner agrees to place in escrow with the Polk County Tax Collector an amount equal to the current ad valorem taxes and non-ad valorem assessments prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.

1. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Landowner agrees to reimburse the District for payment, or pay on its behalf, any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.

2. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.

B. Notice. The Parties agree to provide notice to the other within ten (10) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes assessments or costs imposed on the property acquired by the District as described in Subsection A above. The Landowner covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Landowner fails to make timely payment of any such taxes or costs, the Landowner acknowledges the District's right to make such payment. If the District makes such payment, the Landowner agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.

C. Tax liability not created. Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Landowner or the District. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

SECTION 7. ACQUISITION IN ADVANCE OF RECEIPT OF PROCEEDS. The District and Landowner hereby agree that an acquisition by the District may be completed prior to the District obtaining proceeds from the Assessment Area Six Bonds (the "Prior Acquisitions"). The District agrees to pursue the issuance of the Assessment Area Six Bonds in good faith and, within thirty (30) days from the issuance of such Assessment Area Six Bonds, to make payment for any Prior Acquisitions completed pursuant to the terms of this Agreement; provided, however, that in the event Bond Counsel determines that any such Prior Acquisitions are not properly compensable for any reason, including, but not limited to, federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to make payment for such Prior Acquisitions. Interest shall not accrue on the amounts owed for any Prior Acquisitions. In the event the District does not or cannot issue the Assessment Area Six Bonds within five (5) years from the date of this Agreement, and, thus does not make payment to the Landowner for the Prior Acquisitions, the Parties agree that the District shall have no reimbursement obligation whatsoever. The Landowner acknowledges that the District intends to convey some or all of the Improvements to the City of Winter Haven and/or Polk County and consents to the District's conveyance of such improvements prior to payment for any Prior Acquisitions.

SECTION 8. DEFAULT. A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the

right of damages and/or specific performance, but excluding special, consequential or punitive damages.

SECTION 9. INDEMNIFICATION. For all actions or activities which occur prior to the date of the acquisition of the relevant Real Property, Improvement or Work Product hereunder, the Landowner agrees to indemnify and hold harmless the District and its officers, staff, agents and employees from any and all liability, claims, actions, suits or demands by any person, corporation or other entity for injuries, death, property damage or claims of any nature arising out of, or in connection with, the use by the Landowner, its officers, agents, employees, invitees or affiliates, of the Real Property, Improvement, or Work Product, including litigation or any appellate proceedings with respect thereto, irrespective of the date of the initiation or notice of the claim, suit, etc.; provided, however, that the Landowner shall not indemnify the District for a default by the District under this Agreement or the use of such Real Property, Improvement or Work Product by the District, its engineers, employees, contractors, or such persons' or entities' negligence.

SECTION 10. ENFORCEMENT OF AGREEMENT. In the event that any Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the substantially prevailing Party shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees, and costs for trial, alternative dispute resolution, or appellate proceedings.

SECTION 11. ENTIRE AGREEMENT. This instrument shall constitute the final and complete expression of the agreement between the District and the Landowner relating to the subject matter of this Agreement.

SECTION 12. AMENDMENTS. This Agreement shall constitute the entire agreement between the Parties regarding the subject matter hereof and may be modified in writing only by the mutual agreement of all Parties, and with regards to amendments having a material effect on the payment of debt service on the Assessment Area Six Bonds, with the prior written consent of the Trustee for the Assessment Area Six Bonds acting at the direction of the holders owning a majority of the aggregate principal amount of the Assessment Area Six Bonds then outstanding.

SECTION 13. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Landowner. The District and the Landowner have complied with all the requirements of law. The District and the Landowner have full power and authority to comply with the terms and provisions of this Agreement.

SECTION 14. NOTICES. All notices, requests, consents and other communications under this Agreement (the "Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the Parties, as follows:

SECTION 15. ARM'S LENGTH TRANSACTION. This Agreement has been negotiated fully between the District and the Landowner as an arm's length transaction. All Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against any Party hereto.

SECTION 16. THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and the Landowner and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third-party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and the Landowner any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Landowner and their respective

representatives, successors, and assigns. Notwithstanding the foregoing, nothing in this paragraph shall be construed as impairing or modifying the rights of any holders of Assessment Area Six Bonds issued by the District for the purpose of acquiring any Work Product, Improvements and/or Real Property. Also, notwithstanding anything herein to the contrary, the Trustee for the Assessment Area Six Bonds, on behalf of the owners of the Assessment Area Six Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall, acting at the direction of the bondholders owning more than 50% of an aggregate principal amount of the applicable Assessment Area Six Bonds then outstanding, be entitled to cause the District to enforce the Landowner's obligations hereunder.

SECTION 17. ASSIGNMENT. This Agreement may be assigned, in whole or in part, by either Party only upon the written consent of the other, which consent shall not be unreasonably withheld, and the Trustee acting on behalf of the Bondholders owning a majority of the aggregate principal amount of the Assessment Area Six Bonds then outstanding. Such consent shall not be required in the event of a sale of the majority of the Assessment Area Six Project then-owned by the Landowner pursuant to which the unaffiliated purchaser agrees to assume any remaining obligations of the Landowner under this Agreement. Upon the merger, amendment, or name change of the District, the Agreement will be assumed by operation of law by the District's successor in interest and no consent to such assumption shall be required.

SECTION 18. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each Party consents that the exclusive venue for any litigation arising out of or related to this Agreement shall be in a court of appropriate jurisdiction, in and for Polk County, Florida.

SECTION 19. EFFECTIVE DATE. This Agreement shall be effective upon its execution by the District and the Landowner.

SECTION 20. TERMINATION. This Agreement may be terminated by the District without penalty in the event that the District does not issue its proposed Assessment Area Six Bonds within five (5) years from the date of this Agreement.

SECTION 21. PUBLIC RECORDS. The Landowner understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and will be treated as such in accordance with Florida law.

SECTION 22. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

SECTION 23. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall

inure to the benefit of any third-party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

SECTION 24. HEADINGS FOR CONVENIENCE ONLY. The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

SECTION 25. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute but one and the same instrument. **DECLARATION OF CONSENT TO JURISDICTION OF
VILLAMAR COMMUNITY DEVELOPMENT DISTRICT AND TO
IMPOSITION OF SPECIAL ASSESSMENTS**

(ASSESSMENT AREA SIX ASSESSMENTS)

VMAR DEV, LLC, a Florida limited liability company, (the “Landowner”), is the owner of those lands as more particularly described in **Exhibit A** attached hereto (“Assessment Area Six” or the “Property”), located within the boundaries of the VillaMar Community Development District (the “District”). The Landowner, intending that it and its successors in interest and assigns shall be legally bound by this Declaration, hereby declares, acknowledges and agrees as follows:

1. The District is, and has been at all times, on and after November 26, 2018, a legally created duly organized, and validly existing community development district under the provisions of Chapter 190, *Florida Statutes*, as amended (the “Act”). Without limiting the generality of the foregoing, the Landowner acknowledges that: (a) the petition filed with the City Commission of the City of Winter Haven, Florida (the “City”), relating to the creation of the District contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) Ordinance No. O-18-70, as amended by Ordinance No. O-20-40, O-21-32, and O-22-68 effective as of November 26, 2018, October 26, 2020, and April 12, 2021, and November 28, 2022 respectively (together, the “Ordinance”), were duly and properly adopted by the City in compliance with all applicable requirements of law; (c) the members of the Board of Supervisors of the District were and are duly and properly designated and/or elected pursuant to the Act to serve in their official capacities and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from November 26, 2018, to and including the date of this Declaration.

2. The Landowner, for itself and its heirs, successors and assigns, hereby confirms and agrees, that the special assessments (the “Special Assessments”) imposed by, but not limited to, Resolutions Nos. 2023-03, 2023-04, 2023-06, and 2024-___ (collectively, the “Assessment Resolutions”) (collectively, the “Assessment Resolutions”), duly adopted by the Board of Supervisors of the District (the “Board”), and all proceedings undertaken by the District with respect thereto have been in accordance with applicable Florida law, that the District has taken all action necessary to levy and impose the Special Assessments, and the Special Assessments are legal, valid and binding first liens upon the Property co-equal with the lien of all state, county, district and municipal taxes, superior in dignity to all other liens, titles and claims, until paid.

3. The Landowner, for itself and its heirs, successors and assigns, hereby waives the right granted in Chapter 170.09, *Florida Statutes*, to prepay the Special Assessments without interest within thirty (30) days after the improvements are completed, in consideration of the rights granted by the District to prepay the Special Assessments in full or in part at any time, but with interest, under the circumstances set forth in the Assessment Resolutions of the District levying the Special Assessments.

4. The Landowner hereby expressly acknowledges, represents and agrees that (i) the Special Assessments, the Assessment Resolutions, and the terms of the financing documents related to the District's issuance of the VillaMar Community Development District Special Assessment Bonds, Series 2024 (Assessment Area Six Project) in the principal amount of [PAR VALUE] (the "Assessment Area Six Bonds") or securing payment thereof and all other documents and certifications relating to the issuance of the Special Assessment Bonds (the "Financing Documents"), are valid and binding obligations enforceable in accordance with their terms; (ii) there are no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the Special Assessments or claims of invalidity, deficiency or unenforceability of the Special Assessments and Financing Documents (and the Landowner hereby expressly waives any such claims, offsets, defenses or counterclaims); (iii) the Landowner expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of the Landowner's default and agrees that, immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*; (iv) to the extent Landowner fails to timely pay any Special Assessments collected by mailed notice of the District, such unpaid Special Assessments and future Special Assessments may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year; and (v) any and all rights to challenge the validity of: any argument, claim or defense resulting from any defect or omission of any and all District notices, meetings, workshops, public hearings and other proceedings in relation to the Special Assessments or the Assessment Area Six Bonds that were conducted on or prior to the date hereof whether pursuant to Florida law or any waiver of Florida law granted in said Executive Order, including any extensions thereof.

5. This Declaration shall represent a lien of record for purposes of Chapter 197, *Florida Statutes*, including, without limitation, Section 197.573, *Florida Statutes*. Other information regarding the Special Assessments is available from the District Manager (Governmental Management Services – Central Florida, LLC), 219 Livingston Street, Orlando, Florida 32801.

THE DECLARATIONS, ACKNOWLEDGEMENTS AND AGREEMENTS CONTAINED HEREIN SHALL BE BINDING ON THE LANDOWNER AND ON ALL PERSONS (INCLUDING CORPORATIONS, ASSOCIATIONS, TRUSTS AND OTHER LEGAL ENTITIES) TAKING TITLE TO ALL OR ANY PART OF THE PROPERTY, AND THEIR SUCCESSORS IN INTEREST, WHETHER OR NOT THE PROPERTY IS PLATTED AT SUCH TIME. BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE DEEMED TO HAVE CONSENTED AND AGREED TO THE PROVISIONS OF THIS DECLARATION TO THE SAME EXTENT AS IF THEY HAD EXECUTED IT AND BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE ESTOPPED FROM CONTESTING, IN COURT OR

OTHERWISE, THE VALIDITY, LEGALITY AND ENFORCEABILITY OF THIS DECLARATION.

EFFECTIVE THIS ____ day of _____, 2024.

IN WITNESS WHEREOF, Developer and the District have caused this Assignment to be executed and delivered on the day and year first written above.

PLEASE TAKE NOTICE that the Board of Supervisors of the VillaMar Community Development District (the “District”) in accordance with Chapters 170, 190, and 197, *Florida Statutes*, adopted Resolutions Nos. 2023-03, 2023-04, 2023-06, and 2024-__ (the “Assessment Resolutions”), confirming and certifying the lien of non-ad valorem special assessments on certain real property identified as “Phase 7A” and “Phase 7B” or “Assessment Area Six” (the “Assessment Area Six Special Assessments”), located within the boundaries of the District that will be specially benefitted by the Assessment Area Six Project, described in such Assessment Resolutions. Said assessments are pledged to secure the VillaMar Community Development District Special Assessment Bonds, Series 2024 (Assessment Area Six Project) (the “Assessment Area Six Bonds”). The legal description of the lands on which said Assessment Area Six Special Assessments are imposed is attached to this Notice (the “Notice”) as **Exhibit A**. The special assessments are imposed on benefitted property within the District as described in the Amendment to the *Amended and Restated Master Assessment Methodology (Phases 5, 6, 7A, 7B, and 8)*, dated January 3, 2023, as supplemented by that *Supplemental Assessment Methodology for Assessment Area Six*, dated December 5, 2023 (collectively, the “Assessment Report”), approved by the District. SECTION IX

November 30, 2023

VillaMar Community Development District
c/o Governmental Management Services
219 East Livingston Street
Orlando, Florida 32801
Attn: Ms. Jillian Burns

Re: VillaMar CDD, Series 2024 Bonds

Dear Ms. Burns:

We are writing to provide you, as the VillaMar Community Development District (the "Issuer"), with certain disclosures relating to the captioned bond issue (the "Bonds"), as required by the Municipal Securities Rulemaking Board (MSRB) Rule G-17 Disclosure, as set forth in the amended and restated MSRB Notice 2019-20 (November 8, 2019)¹ (the "Notice"). We ask that you provide this letter to the appropriate person at the Issuer.

The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the "Underwriter") and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the "Bonds"). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer's interest in this transaction.

The specific parameters under which FMS will underwrite the Bonds will be set forth in a Bond Resolution adopted by the Board.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

- The Underwriter's primary role is to purchase the Bonds in an arm's-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter's compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal,

accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.
