Ms. Burns presented the meeting minutes from August 26, 2026, Board of Supervisors meeting and asked for any corrections, comments, or questions. The Board had no changes to the minutes.

d) Landscape Maintenance Services Letter Regarding Continuing Fuel Surcharge

Mr. Tindall reported that they had completed extra trash pickup around the ponds and minor parking work. Fence cleaning, boulevard column painting, and additional trash pickup were planned. Recent rains had raised pond levels and left some areas too wet to mow without damaging the turf. Fence repairs had reportedly been completed in Phase One, and he had planned to check the work. The approved dog waste stations had been ordered and were expected to be installed around the end of the month. Solitude was still working on a safety shutoff recommendation for the fountain. Approved sod, mulch, and plantings were being scheduled. Mr. Tindall and Mr. Bannon had also agreed to repair grading and install sod to stabilize the pond banks during the dry season. Mr. Tindall reviewed the annual maintenance renewals, including expanded janitorial services totaling \$24,490, a pool maintenance increase from \$2,955 to \$3,025 per month, and

expanded pest control totaling \$1,900. He also explained that landscape pricing was expected to remain unchanged until around June, provided the fuel surcharge of up to 3% continued. He anticipated putting landscaping services out for formal bids. The Board approved all of the annual service renewals presented.

On MOTION by Ms. Spencer, seconded by Ms. Schwenk, with all in favor, the Maintenance Contract Renewals, were approved.

Paul Richie asked for meeting emails to be sent earlier and requested updates on the second pool and the fountain at the end of Cunningham.

Ms. Burns confirmed that the second pool was moving forward, with completion estimated for spring or summer 2027. The site work permit was expected shortly. She also explained that meeting dates and agendas were available on the District's website in advance, although email notices were sometimes delayed while supporting documents were being collected. Mr. Tindall explained that the fountain replacement had been approved at the previous meeting, pending confirmation of an automatic shutoff for low water or clogs. The old fountain could not be repaired, and maintenance had stopped. Funding for a larger replacement had been included in the new fiscal year's budget, and the vendor was still working out the shutoff details.

TENTH ORDER OF BUSINESS**Adjournment**

Ms. Burns requested a motion to adjourn.

On MOTION by Ms. Roden, seconded by Ms. Spencer, with all in favor, the meeting was adjourned.

SECTION V

PayGOV.US, LLC.
7915 S. Emerson Ave B199
Indianapolis, IN 46237

PAYMENT PROCESSING SERVICES AGREEMENT

THIS PAYMENT PROCESSING SERVICES AGREEMENT (this “**Agreement**”) is made and entered into effective _____, 20__ (the “**Effective Date**”), by and between **PayGOV.US, LLC**, a [STATE] limited liability company (“**PGV**”), with its principal address at 7915 S. Emerson Ave B199, Indianapolis, IN 46237, and the _____ Community Development District, a local unit of special-purpose government established under Chapter 190, Florida Statutes (the “**District**”), with its principal address at c/o _____.

1. Services. PGV has designed and developed a payment processing system and internet processing services for governmental entities to enhance the collection of payments and other obligations on a 24/7 basis. PGV will provide the District with online payment acceptance, in-person and telephone payment acceptance (if requested by the District), and the related processing, settlement, and reporting services described in this Agreement (collectively, the “**Services**”), so that the District may accept payment by credit card, charge card, bank debit card, and electronic funds transfer, including by a method for accepting payment online, as required by section 215.322(5), *Florida Statutes*, as amended by chapter 2026-169, Laws of Florida, effective January 1, 2027. A person wanting to pay an obligation owed to the District may do so by logging on to the designated website link, or through any other payment channel the District elects to offer under this Agreement, at no cost to the District. PGV will also provide, upon the District’s request, card-swipe or other point-of-sale equipment for onsite payments at no cost to the District. The equipment remains PGV’s property, and PGV is responsible for installing, maintaining, updating, and replacing it. Upon expiration or termination of this Agreement, the District will make the equipment available for retrieval by PGV at PGV’s expense, and the District is not responsible for ordinary wear and tear.

2. Convenience Fees. PGV will assess the person making the payment (and not the District) a convenience fee equal to 3% of the transaction amount for all POS, online, mobile, or over-the-phone (in office) credit card, charge card, and debit card transactions. A minimum flat convenience fee of \$1.00 will apply to any such transaction under \$33.00. E-Check (ACH) transactions will be charged a flat fee of \$1.00 per transaction to the person making the payment, and not to the District. Before the payer submits any transaction, PGV must clearly disclose the amount of the convenience fee and that it is charged by PGV and not by the District, and must allow the payer to cancel the transaction without charge. The convenience fee is billed separately from the amount owed to the District and is paid directly to and retained by PGV as PGV’s sole compensation for the Services. The convenience fee is not an assessment, rate, fee, rental, or other charge imposed by the District, is not revenue of the District, and will not be received or retained by the District or its district manager. PGV is solely responsible for ensuring that the convenience fee, as assessed and disclosed, complies with applicable law and all applicable card network rules. PGV may not increase the convenience fee or impose any new or additional fee, on the District or on payers, without a written amendment to this Agreement approved by the District’s Board of Supervisors and signed by both parties.

3. Settlement and Reporting. The Services include timely and accurate transaction processing, next business day reconciliation, and transfer by ACH of the full amount of each payment, without deduction or offset for any convenience fee or other charge, from PGV to the District's designated depository account within **two (2)** business days after the transaction is authorized. All payments PGV receives for obligations owed to the District are the property of the District and are held by PGV in trust for the District. PGV must provide the District and its district manager with online access to transaction-level reporting and a monthly statement identifying, for each transaction, the date, payer, amount paid to the District, convenience fee charged, and any refund, return, or chargeback. PGV may not debit the District's account except to reverse an E-Check transaction that is returned or charged back through the ACH network, and then only after written notice to the District identifying the transaction. At the District's written direction, PGV will process refunds to payers of amounts paid to the District (for example, returned rental deposits), and the District will fund the refunded amount. PGV may not charge the District for processing a refund.

4. Card and Account Verification. Section 215.322(5)(a), *Florida Statutes*, requires the District to verify both the validity of any credit card, charge card, bank debit card, or electronic funds transfer used and the existence of appropriate credit with respect to the person using the card or transfer. PGV will perform that verification on the District's behalf before authorizing each transaction and will not authorize any transaction that fails verification.

5. No Cost to District; Independent Contractor; Confidentiality. PGV will provide the Services to the District during the term of this Agreement, beginning on the Effective Date. PGV agrees the District is not responsible for any compensation for the Services, and the District will not pay any setup, equipment, monthly, minimum, transaction, chargeback, or other fees, or any associated operational costs or local, state, or federal taxes, on behalf of PGV. Nothing in this Agreement requires the District to accept payments exclusively through PGV or to process any minimum volume. PGV accepts and agrees to perform all Services as an independent contractor and not as an employee, agent, or partner of the District, except for the limited authorizations in Section 14. PGV and the District each agree (i) to hold the other party's confidential information in strict confidence; and (ii) not to disclose such information to any third parties without the prior written consent of the disclosing party or as required by law or regulation. PGV acknowledges that the District is subject to Chapter 119, *Florida Statutes*, and that the District's obligations under this Section extend only to information that is confidential or exempt from public disclosure under applicable law. Cardholder, bank-account, and other personal information of payers that PGV receives in performing the Services is confidential information of the District.

6. Indemnification; Chargebacks and Returns. PGV will defend, indemnify, and hold harmless the District and its supervisors, officers, staff, district manager, agents, and employees from and against any credit card transaction disputes, chargebacks, claims, losses, damages, and other expenses, including attorneys' fees and litigation expenses (including at trial and on appeal), suffered or incurred due to PGV's negligence or willful misconduct, any security incident involving payer information in the possession or control of PGV or its processors or subcontractors, PGV's violation of law or card network rules, or PGV's failure to perform any of its obligations under this Agreement. The District agrees to reasonably assist PGV, to the extent permitted by law, with (i) any efforts necessary to facilitate collection of funds from any cardholder to include reinstatement of the obligation owed to the District; and (ii) providing cardholder information pertinent to any inquiry or dispute regarding payment made to the District through the Services. Returned or charged-back ACH (aka E-Check) transactions are excluded from PGV's indemnification of chargebacks under this Section, and the District will reconcile those

transactions, including returns and chargeback transactions, but this exclusion does not limit PGV's obligations for its negligence, willful misconduct, or failure to perform. This Section survives expiration or termination of this Agreement.

7. Standards of Performance; Compliance with Laws; Governing Law. PGV represents that it is qualified to perform the Services, and that all work will be accomplished in a professional and workmanlike manner. PGV agrees to observe and comply with all federal, state, and local laws, and all applicable card network and NACHA operating rules, in performing the Services, including section 215.322, *Florida Statutes*, the Payment Card Industry Data Security Standard ("PCI DSS"), and the accessibility requirements of Title II of the Americans with Disabilities Act applicable to the online payment website. This Agreement is governed by the laws of the State of Florida. Venue for any action arising under this Agreement lies exclusively in the state courts located in [REDACTED] County, Florida.

8. Data Security; Security Incidents. PGV must maintain PCI DSS compliance throughout the term of this Agreement and must provide the District, upon request, a copy of PGV's current PCI DSS attestation of compliance and that of each processor PGV uses. PGV must use reasonable administrative, technical, and physical safeguards, consistent with industry best practices, to protect cardholder, bank-account, and other personal information of payers, including encryption of that information in transit and at rest. PGV must promptly notify the District in writing if PGV or any of its processors ceases to be PCI DSS compliant. PGV may not access, use, disclose, sell, or share payer information for any purpose other than performing the Services or as required by law, and may not use it for marketing. PGV may retain payer information only as long as necessary to perform the Services, to comply with card network rules, or to comply with Section 2 of Exhibit A (Public Records), and then must securely destroy it. If PGV discovers or is notified of any actual or reasonably suspected breach of security (as defined in section 501.171(1), *Florida Statutes* and any successor statute) or other unauthorized access to payer information in the possession or control of PGV or its processors or subcontractors, PGV must (i) notify the District in writing within 48 hours after discovery or notice; (ii) take all action reasonably necessary to contain, investigate, and remediate it; (iii) cooperate with the District and any law enforcement or regulatory authority, including preserving relevant evidence; (iv) provide the District a written incident report describing the nature and scope of the incident, the information affected, and the remedial actions taken; and (v) to the extent the incident is attributable to the acts or omissions of PGV or its processors or subcontractors, bear the cost of any notices required by law, including under section 501.171, *Florida Statutes*, and provide credit monitoring services for not less than 12 months to affected individuals, at PGV's sole expense. This Section survives expiration or termination of this Agreement.

9. Insurance. PGV must maintain, at its own expense throughout the term of this Agreement, (i) commercial general liability insurance with limits of not less than \$[1,000,000] per occurrence and \$[2,000,000] in the aggregate; (ii) cyber liability (network security and privacy) insurance, including coverage for breach response costs, with limits of not less than \$1,000,000 per claim; and (iii) crime insurance covering employee dishonesty and computer and funds transfer fraud with limits of not less than \$1,000,000. PGV must name the District as an additional insured on the commercial general liability policy and must provide the District a certificate of insurance upon execution of this Agreement and upon request.

10. Assignment; Subcontractors. PGV may not assign this Agreement or subcontract the Services without the District's prior written consent, except that PGV may use iStream Financial

Services, Inc. (“iStream”) as described in Section 14 and the card processors PGV identifies to the District in writing before the Effective Date. PGV remains responsible for the acts and omissions of its subcontractors and processors as if they were PGV’s own.

11. District Required Provisions; Order of Precedence. Exhibit A (District Required Provisions) is incorporated into and made a part of this Agreement. If this Agreement conflicts with any application, enrollment form, or other document submitted under this Agreement, or with any terms of service, privacy policy, or other terms posted on PGV’s website or presented in any click-through or similar form, Exhibit A controls first and this Agreement controls next. No click-through, online, or other terms not attached to this Agreement bind the District, even if accepted by the district manager or another District agent in the course of using the Services.

12. Miscellaneous. Notices under this Agreement must be in writing and delivered by hand, by nationally recognized overnight courier, or by certified mail to the party’s address stated in the preamble (or another address given by written notice), with a copy of any notice to the District sent to the District’s district manager and District counsel. This Agreement, including its exhibits, is the entire agreement of the parties on its subject matter and supersedes all prior agreements and understandings on that subject matter. This Agreement may be amended only by a writing signed by both parties. If any provision of this Agreement is held unenforceable, the remaining provisions remain in effect. In any action to enforce this Agreement, the prevailing party is entitled to recover its reasonable attorneys’ fees and costs, including those incurred on appeal. The District’s failure to enforce any provision of this Agreement is not a waiver of that provision. This Agreement has been negotiated by both parties and will not be construed against either party as the drafter. This Agreement may be signed in counterparts and by electronic signature, each of which is an original and all of which together are one instrument.

13. Term and Termination. The initial term of this Agreement begins on the Effective Date and ends on the next September 30 (the end of the District’s fiscal year). This Agreement will automatically renew for successive one-year terms beginning each October 1 unless terminated as provided in this Section. The District may terminate this Agreement at any time, with or without cause, on 30 days’ written notice to PGV, and immediately upon written notice if PGV breaches this Agreement. PGV may terminate this Agreement only on 90 days’ written notice to the District. On expiration or termination, PGV must complete and settle all transactions initiated before the effective date of termination, remit to the District all funds due, reasonably cooperate in transitioning the Services to any successor provider, and comply with Section 2 of Exhibit A (Public Records). Sections 3, 5, 6, 8, and 12 and Exhibit A survive expiration or termination of this Agreement.

14. ACH (E-Check) Processing through iStream. PGV has engaged iStream as a third-party payment processor to facilitate the processing of the District’s E-Check payments through the ACH network. Subject to this Section, the District authorizes PGV, as the originator and merchant of record, to submit and sign the application for ACH processing services on behalf of the District to iStream. The District also authorizes PGV to execute and deliver to iStream any required documents on behalf of the District for the purpose of boarding and performing required due diligence of the District under the regulatory framework governing iStream as a third-party payment processor, and to make related procedural changes on behalf of the District to the processing account at iStream as reasonably necessary during the processing relationship. PGV must provide the District’s district manager a copy of each application and other document PGV signs on the District’s behalf before submitting it, and written notice of any procedural change

within five business days after making it. PGV may not, without the District's prior written approval, (i) agree on the District's behalf to any fee, reserve, guaranty, indemnity, or other financial obligation of the District; (ii) change the District's designated depository account; or (iii) bind the District to any terms inconsistent with this Agreement. These authorizations are limited to the ACH processing services described in this Section and terminate automatically upon expiration or termination of this Agreement.

The District acknowledges and agrees that, as of the Effective Date, iStream is entitled to rely on the authorizations in this Section until the District provides written notice to PGV of their revocation or modification. As between the District and PGV, PGV is responsible for the acts and omissions of iStream as if they were PGV's own, and PGV's obligations under Sections 6 and 8 apply to iStream's acts and omissions. Nothing in this Section makes iStream a third-party beneficiary of this Agreement, waives the District's sovereign immunity, or causes the District to assume any risk or liability for the acts or omissions of PGV or iStream.

IN WITNESS WHEREOF, the parties have executed this Agreement to be effective as of the Effective Date.

DISTRICT REQUIRED PROVISIONS

1. Sovereign Immunity; No Third-Party Beneficiaries. Nothing in this Agreement waives or limits the District's sovereign immunity or the limits of liability in section 768.28, *Florida Statutes*, or any other statute or law, and nothing in this Agreement is a consent by the District to be sued by third parties in any matter arising out of this Agreement. This Agreement is solely for the benefit of the District and PGV, and no right or cause of action accrues to or for the benefit of any third party.

2. Public Records. PGV understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and, to the extent PGV is acting on behalf of the District as a contractor within the meaning of section 119.0701, *Florida Statutes*, PGV must comply with Florida's public records laws, including Chapter 119, *Florida Statutes*. Specifically, PGV must: (a) keep and maintain public records required by the District to perform the Services; (b) upon request from the District's custodian of public records, provide the District with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*, or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of this Agreement and following its completion if PGV does not transfer the records to the District; and (d) upon completion of this Agreement, transfer to the District, at no cost, all public records in PGV's possession or keep and maintain public records required by the District to perform the Services. If PGV transfers all public records to the District upon completion of this Agreement, PGV must destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If PGV keeps and maintains public records upon completion of this Agreement, PGV must meet all applicable requirements for retaining public records. All records stored electronically must be provided to the District, upon request from the District's custodian of public records, in a format that is compatible with the information technology systems of the District. The District may unilaterally terminate this Agreement if PGV refuses to allow public access to public records as required by law.

IF PGV HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO PGV'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT [TELEPHONE NUMBER], [EMAIL ADDRESS], AND [MAILING ADDRESS].

3. Records and Audit. PGV must keep accurate records of all transactions processed for the District for the longer of five years after the transaction or the period required by the records retention schedules adopted by the Florida Department of State, and must make those records available to the District, its district manager, and its auditors upon reasonable request.

4. E-Verify. PGV must comply with section 448.095, *Florida Statutes*. PGV represents and warrants that it is registered with and uses the E-Verify system to verify the work authorization status of all new employees of PGV. PGV may not subcontract any portion of the Services unless the subcontractor registers with and uses the E-Verify system and provides PGV an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized

alien. PGV must maintain a copy of each affidavit for the duration of this Agreement and provide it to the District upon request. If the District has a good faith belief that PGV has knowingly violated section 448.09(1), *Florida Statutes*, the District will terminate this Agreement as required by section 448.095(5)(c), *Florida Statutes*, and PGV will be liable for any additional costs incurred by the District as a result of the termination. If the District has a good faith belief that a subcontractor knowingly violated section 448.095(5), *Florida Statutes*, but PGV otherwise complied, the District will promptly notify PGV, and PGV must immediately terminate its contract with the subcontractor. PGV represents that no public agency has terminated a contract with PGV under section 448.095(5)(c), *Florida Statutes*, within the year immediately preceding the Effective Date.

5. Scrutinized Companies. PGV certifies that it is not on the Scrutinized Companies or Other Entities that Boycott Israel List created under section 215.4725, *Florida Statutes*, and is not participating in a boycott of Israel. PGV further certifies that it is not on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in Iran Terrorism Sectors List, or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created under section 215.473, *Florida Statutes*, and is not engaged in business operations in Cuba or Syria. Under section 287.135, *Florida Statutes*, the District may terminate this Agreement at its option if PGV is found to have submitted a false certification, has been placed on any of those lists, is participating in a boycott of Israel, or has been engaged in business operations in Cuba or Syria.

6. Foreign Countries of Concern; Access to Personal Identifying Information. PGV acknowledges that this Agreement gives PGV access to individuals' personal identifying information. PGV represents that (a) it is not owned by the government of a foreign country of concern; (b) the government of a foreign country of concern does not have a controlling interest in PGV; and (c) PGV is not organized under the laws of, and does not have its principal place of business in, a foreign country of concern, as those terms are defined in section 287.138, *Florida Statutes*. Before the District executes this Agreement, and before each renewal or extension of this Agreement, PGV must provide the District the affidavit required by section 287.138(4), *Florida Statutes*, on the form prescribed by the Florida Department of Management Services (currently Form PUR 1355, adopted by Rule 60A-1.020, Florida Administrative Code), together with the affidavit attached as **Exhibit 1**.

Notes:

- Pricing is based on current material, labor, fuel, and supplier costs. Tucker Paving reserves the right to review and revise pricing at time of award prior to contract execution to reflect actual costs and market conditions. Materials, labor, equipment, services, testing, permits, fees, repairs, relocations, or work not specifically identified in this proposal are excluded unless expressly included herein.

Quantity Note

Quantities are estimated from plans provided and are subject to field verification.

Asphalt Thickness Note

Pricing is based on the plan-specified pavement section. Additional asphalt required due to subgrade irregularities, settlement, or overbuild requirements is not included.

Base Preparation Note

Pricing assumes the existing subgrade and/or base is properly graded, compacted, and ready to receive pavement. Additional stone, grading, stabilization, or undercutting required due to deficient base conditions will be treated as extra work.

Drainage Note

Tucker Paving is not responsible for correcting existing drainage deficiencies unless specifically identified and included herein.

Weather Note

Work schedule is subject to weather and site conditions suitable for paving operations.

Milling & Overlay Specific Notes

Areas requiring full-depth repair, base repair, undercut, stabilization, or additional milling beyond the limits shown are excluded. Utility adjustments are excluded unless specifically listed.

Parking Lot Paving Specific Notes

Proposal assumes all vehicles will be removed from the work area before the start of operations.

Tucker Paving is not responsible for damage to vehicles remaining within construction limits.

Asphalt Curing Notice

Owner acknowledges that newly placed asphalt pavement requires an extended curing period of approximately 365 days to achieve its full hardness and stability. During this curing period, the pavement may be susceptible to temporary surface markings caused by vehicle traffic, turning movements, kickstands, trailer jacks, concentrated loads, and other similar contact. Such markings are cosmetic in nature, are a normal characteristic of the asphalt curing process, and shall not be considered a defect in materials, workmanship, or a warranty issue.
